PART A: COMPULSORY ITEMS

1 Preliminary Matters

- (a) The Building is a Jointly Owned Property comprised of Units and Building Common Areas.
- (b) The Building Owners Association, the Owners, the Occupiers and all persons having a legal interest in a Unit (to the extent that this Declaration and the Prescribed Constitution applies to such persons) are bound by the provisions contained in this Declaration and the Prescribed Constitution as if all those persons had entered into mutual covenants to perform its terms.
- (c) In the event that there is any inconsistency between the provisions contained in this Declaration and the provisions contained in the Prescribed Constitution, the provisions contained in the Prescribed Constitution shall prevail to the extent of such inconsistency.
- (d) The Prescribed Constitution is prescribed by the Relevant Authority and may be varied from time to time in accordance with the Jointly Owned Property Law. The Prescribed Constitution is not capable of amendment by the Building Owners Association.

2 Name of the Building Owners Association

The Building Owners Association for the Building shall be known as the "**Eaton Place Building Owners Association**".

3 Numbering of Units

Each Unit in the Building shall be numbered as specified in Schedule 3.

4 Unit Entitlements

4.1 List of Unit Entitlements

Each Unit shall have a Unit Entitlement as specified in **Schedule 3**.

4.2 Method by which the Unit Entitlements are calculated

The Unit Entitlements have been calculated on the basis of area with the Unit Entitlement of each Unit calculated by dividing the Unit Area by the Total Unit Areas in accordance with the Jointly Owned Property Law.

4.3 Variation of Entitlements

The Unit Entitlements may be varied by the Building Owners Association from time to time in accordance with the Jointly Owned Property Law. **Schedule 3** will be varied to record any variation and the Building Owners Association shall take all reasonable steps to register such variation.

5 Staging of Project

The completion of the Building is not staged, subject to the provisions contained in this Declaration, the Building Common Areas will be as depicted on the Building Common Areas Site Plan.

6 Delivery and Use of Utility Services

Supply of Utilities

The Utility Services are supplied to the Building as set out in **Schedule 4**.

6.1 Chilled Water

- (a) Chilled Water is supplied to the Building (including the Units and Building Common Areas) via the Chilled Water Network.
- (b) The Building Owners Association Manager on behalf of Building Owners Association shall appoint a Chilled Water Account Manager to manage the collection of consumption charges from the Unit Owners for Chilled Water provided to their Units and Building Common Areas.
- (c) The Owners shall be required to enter into a separate end-user supply agreement with the Chilled Water Account Manager with respect of the supply of Chilled Water to their Units.
- (d) The Chilled Water Account Manager may disconnect and suspend the supply of Chilled Water to a Unit in the event that the Unit Owner fails to pay any amount outstanding to the account of Chilled Water or the Service Charges, without prejudice to any other rights the Building Owners Association may have with respect to the Unit Owner's default, including withdrawing certain services to the Unit and restricting access to the Unit Leisure Facilities until such time as the amounts outstanding (and any charges and compensation for late payment) are paid in full.
- (e) If required by the Developer, the Building Owners Association or the Chilled Water Account Manager to, enter into an end user agreement with the Chilled Water Account Manager with respect to the exclusive supply of Chilled Water to the Unit in the form required by the Chilled Water Account Manager;
- (f) To the extent that the Chilled Water supplied to the Unit is not separately metered, the Owners are required to pay to the Building Owners Association a fair and reasonable proportion of the cost of the supply of Chilled Water to the Building as shall be reasonably determined by the Building Owners Association or Chilled Water Account Manager.

6.2 Utility Services not separately metered

In the case Utility Services which are not separately metered, the Building Owners Association may by Simple Resolution resolve to install separate metering, the costs of which shall be payable by the Owners equally. The Building Owners Association may raise a Special Service Charge in accordance with the Prescribed Constitution to fund the cost of such installation.

6.3 Access to Utility Service Infrastructure

Subject to all Applicable Laws, the Owners must ensure that reasonable access to their Units is made available to the Utility Suppliers, the Master Developer, the Developer and the Building Owners Association (as the case may be) to enable the reading of meters and the servicing of the Utility Service Infrastructure and no Owner may obstruct or prevent access by such parties to the Utility Service Infrastructure at any time unless they form part of Exclusive Services.

6.4 Disconnection of Supply

- (a) Subject to all Applicable Laws, the Master Developer, the Developer, the Building Owners Association and/or the Utility Suppliers may disconnect the supply of Utility Services to a Unit or the Building Common Areas if a Unit Owner has not paid its Utility Service costs when due and payable.
- (b) The Owners acknowledge and understand that the Master Developer, the Developer and the Building Owners Association and/or the Utility Suppliers may disconnect the supply of Utility Services to the Units and the Building Common Areas if there are

insufficient funds in the General Fund to pay the Master Developer, the Developer and the Building Owners Association or the Utility Suppliers the costs of the Utility Service when due and payable.

6.5 Gas Supply

The Owners acknowledges and agrees that:

6.5.1 the Developer has entered into an agreement with the Gas Supplier with respect to the supply of Gas to the Building, including the Units (the "**Gas Supply Agreement**") that, amongst other matters, provides for:

- (a) the Gas Supplier to be the exclusive supplier of Gas to the Building; and
- (b) the Owners to purchase a required quantity of Gas from the Gas Supplier.

6.5.2 Each Unit Owner shall:

- (a) if required by the Developer, the Building Owners Association or the Gas Supplier, enter into an end user agreement with the Gas Supplier with respect to the exclusive supply of Gas to the Unit in the form required by the Gas Supplier;
- (b) to the extent that the Gas supplied to the Unit is not separately metered, to pay to the Building Owners Association a fair and reasonable proportion of the cost of the supply of Gas to the Building as shall be reasonably determined by the Building Owners Association;
- (c) indemnify the Developer on a full indemnity basis against any breach by the Owner or its Occupiers of the Gas Supply Agreement;
- (d) to permit the Gas Supplier and/or the Building Owners Association to enter the Unit in order to periodically read the relevant meter so installed; and
- (e) take all necessary steps to ensure that the rights and obligations under the Gas Supply Agreement are preserved and not take any steps or vote in favour of any Resolution that seeks to avoid or limit the rights of the Gas Supplier under the Gas Supply Agreement.

6.5.3 The Gas Supplier or the Building Owners Association may disconnect and suspend the supply of Gas to a Unit the event that a Unit Owner fails to pay any amount outstanding in respect of the Gas supply or fails to pay the Service Charges to the Building Owners Association, without prejudice to any other rights of the Gas Supplier or the Building Owners Association may have with respect to a Unit Owners' default, including withdrawing certain services to the Unit until such time as the amounts outstanding to the Gas Supplier or the Building Owners Association (and any charges and compensation imposed by the Gas Supplier or the Building Owners Association for late payment) are paid in full.

6.6 Other Utility Services

To the extent that the Master Developer, Developer or the Building Owners Association specifies any other suppliers of Utility Services for the Building, the Building Common Areas and/or the Units, the Owners (and where applicable, the Occupiers) shall obtain such Utility Services from the nominated service providers.

6.7 Exclusive Services

An Owner and its Occupier has the right to the exclusive use and enjoyment of any Exclusive Services notwithstanding that such service may be located in and form part of the Building Common Areas and the Owner is responsible for the cost of the on-going repair and maintenance of the Exclusive Services.

and remove all indications of or references to any connection between the Building and the Ellington Brand, including all signs or other materials bearing any of the Ellington Brand Marks. Any removal of the Ellington Brand Marks shall be at the cost of the Building Owners Association.

11.2 FM Services Agreement

- (a) To ensure the preservation of the Ellington Standards, the Building Owners Association shall appoint the FM Service Provider and on specific request of Building Owners Association the Developer shall enter into FM Services Agreement with the FM Service Provider for and on behalf of the Building Owners Association to provide the FM Services to the Building.
- (b) If required by the Developer, the Building Owners Association must agree to be a party to the FM Services Agreement or otherwise accept an assignment or novation of the FM Services Agreement.
- (c) The cost of the FM Service Provider providing the FM Services to the Building pursuant to the FM Services Agreement will be payable by the Owners and shall form part of the Service Charges.
- (d) Any failure by the Building Owners Association to appoint, enter into and strictly comply with the FM Services Agreement may result in the Developer withdrawing the FM Services from the Building and withdrawing the Building's association with the Ellington Brand.

11.3 Brand Marks

- (a) Under no circumstances shall the Ellington Brand Marks or any Intellectual Property associated with the Ellington Brand be deemed to be part of the Building.
- (b) The Developer have the right to change the Ellington Brand Marks and associated logos from time to time at their discretion and no Owners shall object to any such change whereas no Owner or Building Owners Association shall have the right to change the Ellington Brand Marks and associated logos.
- (c) The Ellington Brand Marks shall be maintained by the Building Owners Association at its cost.
- (d) In no event shall the Owners or the Building Owners Association have any right, title or interest in the Ellington Brand or the Ellington Brand Marks, or any other name used in association with the Building or in any licensing arrangement entered into by the Developer.
- (e) Each Unit Owner acknowledges and agrees:
 - (i) not to interfere with or contest in any way the rights of the Developer(or its Affiliates) in the Ellington Brand Marks; and
 - (ii) not to form, create or utilise (or attempt to form, create or utilise) in connection with their Unit, or the Building generally the Ellington Brand Marks or any marks that may be similar to or may be confused with, the Ellington Brand Marks.
- (f) No Owner nor the Building Owners Association shall be deemed to be a third-party beneficiary of any agreements entered into by the Developer for the use of the Ellington Brand and the Ellington Brand Marks.
- (g) The Developer (and its Affiliates) shall be deemed to be a third-party beneficiary of the covenants contained in this Declaration that benefit or seek to preserve the rights of the Developer. The Developer may enforce the provisions contained in this Declaration (including as contemplated by Article 252 of Federal Law No 5 of 1985 (as amended)) to ensure compliance with the Owners' obligations and restrictions under this Declaration.

Purchaser's Initial

- (h) No amendment of this **clause 11.3** shall be effective with respect to the Developer unless the Ellington Brand Owner at the time of the amendment has consented in writing to such amendment.

12 Budget and Service Charges

12.1 Preparation of Budget

- (a) The Building Owners Association Manager must, in liaison with the Board, prepare and submit to the Board no later than one (1) month prior to the last day of each Operating Year:
- (i) the proposed Budget for the next Operating Year; and
 - (ii) the amount that each Owner will be responsible to pay into the General Fund and the Reserve Fund in the next Operating Year under the proposed Budget by way of Service Charges.
- (b) The Budget must be based on the Building Owners Association Manager's reasonable estimate (and give reasonable details and include itemised estimated monetary requirements and expenditures) of the costs of operating the Building for the next Operating Year.

12.2 Board to Review and Adopt Provisional Budget

- (a) As soon as practicable (but no later than the maximum number of days required under the Jointly Owned Property Law) after the submission of the proposed Budget to the Board for the next Operating Year, the Board must call for and convene a meeting for the purpose of Approving:
- (i) the provisional proposed Budget for the next Operating Year; and
 - (ii) the amount that each Owner will be responsible to pay to the General Fund and Reserve Fund in the next Operating Year based on the provisional proposed Budget.
- (b) Should the Board be unable to Approve the provisional proposed Budget at the meeting convened in accordance with **clause 12.2(a)**, the Board shall be considered to be in dispute and the dispute resolution provisions contained in this Declaration shall apply. Until such time as the provisional Budget (or any amended provisional Budget) has been approved by the Board for the next Operating Year, the Owners shall continue to operate the Building under the Budget for the previous Operating Year increased by five per cent (5%) and contribute to the General Fund and Reserve Fund by way of Service Charges on such basis.

12.3 Owners to Adopt Provisional Budget at Annual General Assembly

- (a) Once the provisional proposed Budget is approved by the Board in accordance with **clause 12.2**, the Board shall call for the Annual General Assembly and present the provisional proposed Budget to the Owners for Approval by Simple Resolution.
- (b) Until such time as the Annual General Assembly is convened and the provisional Budget (or any amended provisional Budget) has been approved by the Owners by way of Simple Resolution for the next Operating Year, the Owners shall continue to operate the Building under the Budget for the previous Operating Year increased by five per cent (5%) and contribute to the General Fund and Reserve Fund by way of Service Charges on such basis.

12.4 Preparation and Adoption of Financial Statements

- (a) The Building Owners Association Manager must, in respect of each Operating Year, prepare and submit to the Board the financial statements for that Operating Year no

Purchaser's Initial

Seller's Initial

later than the date that is one (1) month before the date of the Annual General Assembly.

- (b) Once submitted to the Board, the Building Owners Association Manager shall, at the expense of the Building Owners Association, arrange for the independent auditing of the financial statements.
- (c) Once approved by the Board, and audited by an independent auditor in accordance with **clause 12.4(b)**, the Building Owners Association Manager must distribute a copy of the financial statements (or otherwise make them available for review) to the Owners prior to the Annual General Assembly.

12.5 Service Charge Payments by Owners

- (a) As soon as practicable after the Approval of the provisional proposed Budget by the Board for the next Operating Year in accordance with **clause 12.2**, the Building Owners Association Manager must provide each Owner with a Service Charge Notice. The Service Charge Notice must provide:
 - (i) details of the amount that the Owner is required to contribute to the General Fund and the Reserve Fund for the next Operating Year by way of Service Charges;
 - (ii) details of any surplus that has been credited to the Owner from the previous Operating Year;
 - (iii) the due date for payment of the Service Charges; and
 - (iv) any other information that the Board considers appropriate for inclusion.
- (b) The Owners must pay their Service Charges as specified in their Service Charge Notice without deduction or set off on or before the due dates for payment specified in the Service Charge Notice.
- (c) Service Charges shall be payable in respect of each Operating Year quarterly in advance, by no later than the date specified in the Service Charge Notice, unless otherwise approved by the Board.
- (d) In the event that that the Budget Approved by the Owners at the Annual General Assembly in accordance with **clause 12.3** differs from the provisional proposed Budget Approved by the Board in accordance with **clause 12.2**, the Building Owners Association Manager shall send the Owners an amended Service Charge Notice which shall be deemed to replace the previous notice and the Owners must pay their future Service Charges as specified in the amended Service Charge Notices without deduction or set off on or before the due dates for payment specified in the Service Charge Notice.

12.6 Special Service Charges

- (a) Subject to any restrictions in the Jointly Owned Property Law, if at any time during the Operating Year the Board determines that:
 - (i) an amount on account of General Fund Expenses is or will become due and payable but cannot be paid because the amounts held in the General Fund are insufficient to allow the payment of such amount or such payment will result in the Building Owners Association being unable to pay other General Fund Expenses when due and payable; or
 - (ii) an amount on account of Reserve Fund Expenses is or will become due and payable but cannot be paid because the amounts held in the Reserve Fund are insufficient to allow the payment of such amount or such payment will result in the Building Owners Association being unable to pay other Reserve Fund Expenses when due and payable,

Purchaser's Initial

Seller's Initial

then, the Board may raise a Special Service Charge from the Owners to fund the shortfall.

- (b) Should the Board raise a Special Service Charge, the Building Owners Association Manager must forward a Service Charge Notice to each Owner that specifies:
 - (i) details of the event that has given rise to the need to raise the Special Service Charge;
 - (ii) the amount that the Owner is required to contribute to the Special Service Charge and the basis for such contribution;
 - (iii) the due date for payment of the Owner's contributions to the Special Service Charge; and
 - (iv) any other information that the Board considers appropriate for inclusion.
- (c) The Owners must pay to the Building Owners Association their contribution to the Special Service Charge as specified in their Service Charge Notice without deduction or set off on or before the due dates for payment specified in the Service Charge Notice (being a date no earlier than thirty (30) days from the date of the Service Charge Notice).

12.7 Surplus Funds

In the event that the Service Charges paid by the Owners in accordance with the Budget for the previous Operating Year in respect of General Fund Expenses are greater than the payments made from the General Fund, the Building Owners Association may credit the surplus funds to the relevant Owners in the proportions for which such funds were paid by the Owners and offset such surplus against the Service Charges in respect of General Fund Expenses payable by such Owners for the next Operating Year.

12.8 Review of Usage

- (a) Where an Owner's contribution to any General Fund Expense has been calculated on the basis of estimated usage, a review of such usage shall be undertaken by the Building Owners Association Manager when requested from time to time by the Board to confirm that the contribution substantially reflect the actual usage by the Owner.
- (b) Should the contribution be substantially different to the actual use, the Board shall adjust the contribution to reflect the estimated proportionate usage and equitable distribution of the General Fund Expenses or to accord with the actual use, if determinable.
- (c) The variations to the contribution by the Board will be automatically Approved and accepted by the Building Owners Association when the Chairperson signs the minutes recording the determination.
- (d) An Owner may submit a proposal to the Building Owners Association requesting the Building Owners Association to undertake a review of the contributions and usage not more often than once every year or as otherwise determined by the Board.

12.9 Clarification

- (a) If an Owner requires clarification of an amount that the Owner (or another Owner) is required to pay under any Service Charge Notice it must, within ten (10) Business Days of receipt of the Service Charge Notice, notify the Building Owners Association Manager in writing of the matter or matters it requires to be clarified including details of:
 - (i) any facts upon which the need for clarification is based; and

Purchaser's Initial

Seller's Initial

- (ii) any other matter that the Owner considers relevant.
- (b) Upon receipt of a request for clarification under this **clause 12.9**, if the Building Owners Association Manager is unable to provide sufficient clarification to the Owner's reasonable satisfaction within ten (10) Business Days of receipt of the request, the Building Owners Association Manager shall convene a meeting within a further twenty (20) Business Days for the Board and Owner to discuss the matter.
- (c) If the Board is unable to satisfy the Owner's request at the meeting convened in accordance with **clause 12.9(b)** (or such other period as agreed between the Owner and the Board) then they shall be considered to be in dispute.
- (d) Notwithstanding an Owner may seek clarification of an amount that the Owner (or another Owner) is required to pay under a Service Charge Notice, it must pay the amount specified in the Service Charge Notice and any adjustment with respect to any underpayment or overpayment shall be made between the Building Owners Association and the Owner once the matter has been resolved.

12.10 Application of Payments

The Building Owners Association Manager must not apply any monies from the Reserve Fund on account of General Fund Expenses unless otherwise directed by the Board to do so and then only then where it has been resolved by the Board that such funds are either not required to maintain appropriate funds within the Reserve Fund or will be replaced upon receipt of Service Charges from Owners or by way of a Special Service Charge.

12.11 Emergency Funding

- (a) If at any time there is insufficient monies in the General Fund and/or the Reserve Fund to fund the Operation of the Building due to a delay in the payment of any Service Charges by the Owners, the Developer may (at its sole discretion) elect to provide Emergency Funding to the Building Owners Association to fund the shortfall and enable the Building to continue to Operate and provided the Developer shall receive compensation in accordance with **clause 12.11(b)**.
- (b) If the Developer elects to provide Emergency Funding to the Building Owners Association in accordance with **clause 12.11(a)**, the Developer shall be entitled to receive compensation from the Building Owners Association on the amount of Emergency Funding advanced equivalent to the market cost of the Emergency Funding for the period that the Emergency Funding is provided for.
- (c) The Building Owners Association must use all reasonable commercial endeavours to recover the outstanding contributions payable by the Owners to enable repayment of the Emergency Funding (together with the compensation payable under **clause 12.11(b)**), and until such time as the Emergency Funding (and the compensation payable under **clause 12.11(b)**) is repaid in full to the Developer, the amount repayable shall constitute a debt payable by the Building Owners Association and the Owners to the Developer.

13 Restrictions on How a Particular Unit can be Used

13.1 Permitted Use

- 13.1.1 An Owner must ensure that its Unit is used strictly for the Permitted Use only and in accordance with all Applicable Laws.
- 13.1.2 All Units must be used for Permitted Use. As such, subject to the provisions contained in this Declaration, only the Owners and residents and their direct family members and domestic employees (subject to approval and clearance from Relevant Authorities) may occupy a Unit.
- 13.1.3 No business or commercial activity to which the general public is invited shall be conducted

within any Unit or the Building Common Areas without the Approval of the Building Owners Association.

13.1.4 No Owner or Occupier may partition any Unit for the purposes of letting out individual rooms or otherwise.

13.1.5 Owners and Occupiers:

- (i) must ensure that all household staff, including (but not limited to) housemaids, drivers, cooks, and gardeners hold a valid residence visa issued by the Dubai Naturalisation and Residency Department (DNRD) at all time when occupying or working within the Building; and
- (ii) are fully responsible if they are found accommodating household staff not directly sponsored by them and indemnify the Building Owners Association, the Building Owners Association Manager, the Developer and other Owners and Occupiers against any loss that may arise from such breach.

13.2 Change of Permitted Use

- (a) The Permitted Use of a Unit may not be changed without the Approval of the Building Owners Association and the Developer (and without first obtaining any necessary license for such use from the Relevant Authorities). The Building Owners Association and the Developer may withhold their consent to any change of use should they consider, in their absolute discretion, the proposed use is not in keeping with the Building, or otherwise has a detrimental effect on other Owners or Occupiers within the Building.
- (b) In the event that a change in the Permitted Use is consented to by the Building Owners Association and the Developer, the applicant Owner must also obtain the consent and any necessary license for such use from the Relevant Authorities and provide a copy of the same to the Building Owners Association before using the Unit for the proposed change of use.
- (c) Any consent granted by the Building Owners Association and the Developer may be granted subject to such conditions as the Building Owners Association, the Developer and/or the Master Developer consider appropriate, including the allocation to the Owner of any additional costs that may be incurred by the Building Owners Association and the Developer arising from such change of use (such as additional Insurance premiums).

13.3 No Short Term Leasing or Shared Occupancy Plans

A Unit shall not be leased on a Short Term Basis or as part of any Shared Occupancy Plan without the Approval of the Building Owners Association and the Developer.

13.4 Registration of Tenancy Contracts

- (a) All tenancy contracts entered into by Owners in respect of their Unit must be registered with the Relevant Authorities in accordance with Applicable Laws.
- (b) Owners must provide the Building Owners Association Manager with copies of all such tenancy contracts or renewals to be held by the Building Owners Association Manager on behalf of the Building Owners Association. If the Building Owners Association Manager is not provided with a copy of an Owner's tenancy contract and has not issued a Service Charge Payment Confirmation confirming that the Owner has paid all outstanding Service Charges and is not otherwise in breach of its obligations under this Declaration, the tenant may be denied access to the Building including, without limitation, access to the Building Common Areas (and in the case of Unit Owners, the Unit Leisure Facilities).

- (c) For the avoidance of doubt, an Occupier is not entitled to take possession or move into a Unit unless the Owner has complied with **clause 13.4(b)** and paid its Service Charges (and all other moneys payable under this Declaration) in full and is not otherwise in breach of its obligations under this Declaration.

13.5 Number of Invitees

An Owner must ensure that the total number of Occupiers or Invitees per square foot in its Unit at any given time does not exceed the maximum number of Occupiers or Invitees permitted per square foot by the Relevant Authorities taking into account the Permitted Use and occupational health and safety considerations.

14 Architectural and Operational Standards

14.1 Alterations to the Unit's Appearance

An Owner must not alter the external appearance of its Unit (including its internal appearance visible from any other Unit or the Building Common Areas) at any time.

14.2 Compliance with the Architectural Code

- (a) The Architectural Code is binding on all Owners and the Building Owners Association (and all others undertaking Works within the Building) and:
- (i) contains important details and information and various requirements, responsibilities and obligations regarding the Building, including:
 - (A) the architectural standards to be applied and complied with across the Building as a whole; and
 - (B) the changes that may be made to Units and the process of obtaining Approval for proposed changes; and
 - (ii) is intended to preserve the integrity, standards and reputation of the Building.
- (b) The Building Owners Association and the Owners must comply (and must ensure that Suppliers comply) at all times and on time with the Architectural Code.

14.3 Amendment to the Architectural Code

The Architectural Code may be amended from time to time by the Building Owners Association and the Developer by Resolution to take into account the evolving nature of the Building provided always that such amendments are in the best interest of the Building.

14.4 Building Common Area Refurbishment

- (c) The Building Owners Association must ensure that the Building Common Areas are refurbished from time to time in keeping with the standard of the Building in accordance with this Declaration.
- (d) The Building Owners Association must strictly comply with the Jointly Owned Property Law and any directions of the Developer with respect to the repair and maintenance of the Building Common Areas and the Owners expressly authorise the Board to take such reasonable steps and expend such moneys from the General Fund and Reserve Fund (as applicable) for such purpose.
- (e) Without limiting the generality of the foregoing, the Board must, at intervals of not less than every two (2) years (or such lesser period as determined by the Building Owners Association by Simple Resolution) commencing on the date of this Declaration, convene a meeting to discuss the state of repair of the Building Common Areas and to consider the need for any refurbishment.
- (f) Within fourteen (14) days of the meeting arranged by the Board pursuant to **clause**

14.3(c), the Board must present any refurbishment proposals to the Building Owners Association and the Developer at the next Annual General Assembly.

14.5 Operational Standard

- (g) The Building Owners Association must ensure that the Building is managed, operated and maintained in such manner as to maintain the standard of the Building as at the date Registration of this Declaration and shall ensure that all Suppliers engaged by, or on behalf of, the Building Owners Association to provide services to the Building Common Areas and the Building generally have the requisite experience and expertise to provide the services for which they are engaged to such standards.
- (h) The Owners must not vote in favour of any Resolution that seeks to reduce or diminish the level of services in such a manner that results in a reduction of the standard specified in **clause 14.4(a)**.

14.6 Building Common Area Maintenance

- (i) Many of the Building services are highly technical and affect other Units in the Building. As a result the Building Owners Association must ensure that the Building Common Areas are maintained to the highest standard.
- (j) The Building Common Areas (and the furnishings and facilities contained thereon) must be repaired, maintained and replaced with equivalent or better quality materials as may be necessary to maintain, or if determined by the Building Owners Association as desirable, to improve the standard of the Building Common Areas.
- (k) For the avoidance of doubt, the Building Owners Association is responsible for arranging the cleaning of the Façade including all exterior glass the cost of which is a Building Common Area Expense.

15 Restrictions on Use of Specified Parts of the Building

15.1 General Use of Building Common Areas

- (a) Subject to the Provisions of this Declaration the Building Common Areas may be used by all of the Owners and their Occupiers (and their Invitees).
- (b) An Owner must not restrict or seek to restrict any other Owner's or Occupier's right of use of or access to the Building Common Areas under this Declaration.
- (c) Subject to the provisions of this Declaration, an Owner must keep free and unobstructed all Building Common Areas at all times and must not place or store any items or personal items on the Building Common Areas.
- (d) Notwithstanding **clause 15.1(a)**, the Building Owners Association may temporarily or permanently restrict all or any Owners and/or their Occupiers access to designated Building Common Areas in the following circumstances:
 - (i) in the case of emergency;
 - (ii) in the event that the Building Owners Association requires the utilisation of an area within the Building Common Areas from which to carry out its administrative functions and fulfil its obligations under this Declaration; and/or
 - (iii) in the event that areas are required to be cordoned off in order for a Supplier to carry out works,

provided always, in respect of any permanent restriction, the Building Owners Association does so by Simple Resolution and ensures that such restriction does not substantially and detrimentally affect the use and enjoyment of the Building Common Area of any Owner or Occupier and is Approved by the Developer.

15.2 Operation and Management of the Building Common Areas

Subject to the provisions contained in this Declaration, the Owners acknowledge that the responsibility for Operating the Building Common Areas is with the Building Owners Association, which responsibility may be delegated to the Building Owners Association Manager under the Association Management Agreement.

15.3 Restricted Areas

- (a) Although designated as Building Common Areas, Owners may not access any Restricted Areas without the Approval of the Building Owners Association.
- (b) The Building Owners Association may lock or otherwise prevent access to the Restricted Areas as it considers necessary or desirable either on a temporary or permanent basis.
- (c) Should an Owner (or their Suppliers) access any Restricted Areas, it must follow the directions of the Building Owners Association when accessing such area at all times.
- (d) Should an Owner or Occupier (or their Suppliers) access any Restricted Areas, it does so solely at its own risk.

16 Unit Leisure Facilities

16.1 Use of the Unit Leisure Facilities

- (a) The Unit Leisure Facilities form part of the Building Common Areas and the Building Owners Association is responsible for their Operation.
- (b) The Unit Leisure Facilities are available for use by the Unit Owners and their Occupiers only.
- (c) Where there is an Occupier of a Unit, it is deemed that the Unit Owner has assigned its rights of use and access granted to the Unit Owners under this Declaration to that Occupier, however, the Unit Owner shall remain responsible to the Building Owners Association with respect to such rights of use and access.
- (d) The Building Owners Association shall be the solely responsible for determining what, and the extent and manner to which, the Unit Leisure Facilities will be provided from time to time provided always the Owners and the Occupiers are entitled to utilise any varied or replaced facilities.

16.2 Operation of the Unit Leisure Facilities

- (a) The Building Owners Association shall prepare the budget for Unit Leisure Facilities for every Operating Year.
- (b) The Unit Owners shall be solely responsible for the cost of the provision and Operation of the Unit Leisure Facilities which shall be charged to the Unit Owners via their Service Charges.

16.3 Use of the Unit Leisure Facilities

- (a) The Unit Owners and the Occupiers must strictly comply with all Building Rules and the directions of the Building Owners Association Manager with respect to the use of the Unit Leisure Facilities including the use of the associated facilities and equipment located within the Unit Leisure Facilities.
- (b) The Unit Owners and Occupiers use the Unit Leisure Facilities at their own risk and indemnify and hold the Building Owners Association harmless against any loss or injury.
- (c) The Building Owners Association may restrict the hours of use of the Unit Leisure Facilities and temporarily close the Unit Leisure Facilities (or any part thereof) for the purpose of undertaking any cleaning, repair or maintenance of the Unit Leisure

Facilities and the Building Common Areas.

- (d) No Unit Owner or Occupier may take on to or place any item on the Unit Leisure Facilities without the prior written consent of the Building Owners Association including:
 - (i) furniture, umbrellas, awnings, screens or the like;
 - (ii) electronic devices, external stereo equipment (including external speakers and wiring) or external lighting;
 - (iii) any barbeque or cooking equipment of any nature;
 - (iv) any alcoholic beverages; and
 - (v) personal items.
- (e) No Unit Owner or Occupier may seek to reserve any sun loungers or other areas within the Unit Leisure Facilities or leave items on any sun loungers or other areas within the Unit Leisure Facilities unattended unless such Unit Owner or Occupier is swimming or otherwise within the vicinity of the items.
- (f) The Building Owners Association reserves the right to exclude any person from using the Unit Leisure Facilities should such person be in breach of this Declaration, or the Building Rules relating to the Unit Leisure Facilities.
- (g) The Building Owners Association may suspend the Unit Owners' and their Occupiers' right to use the Unit Leisure Facilities (either individually or collectively) if the Unit Owners do not pay their Service Charges.

16.4 Invitees to the Unit Leisure Facilities

- (a) The Unit Leisure Facilities are for the exclusive use of the Unit Owners and the Occupiers only.
- (b) The Unit Leisure Facilities are not available for use by any Invitees of the Owners or the Occupiers and have not been designed to cater for such use.
- (c) The Building Owners Association may from time to time allow Invitees of the Owners (or their Occupiers) to use the Unit Leisure Facilities during periods of low occupancy of the Building at its discretion.
- (d) Should the Building Owners Association elect to allow Invitees of the Owners (or their Occupiers) to use the Unit Leisure Facilities during periods of low occupancy of the Building, the Building Owners Association may impose such restriction upon such entry and use including, without limitation:
 - (i) limiting the number of Invitees that Owners (or their Occupiers) may invite;
 - (ii) limiting the times and days that Invitees may utilise the Unit Leisure Facilities;
 - (iii) limiting the areas and facilities within the Unit Leisure Facilities that are available for use by the Invitees; and
 - (iv) charging an access fee on Invitees for the use of the Unit Leisure Facilities.

17 Duties and Obligations of the Owners

17.1 General Obligations of the Owners

The Owners must at all times:

- (a) ensure the Building Owners Association is, and remains, properly constituted in accordance with this Declaration and all Applicable Laws;
- (b) comply with the provisions of this Declaration, all Applicable Laws and the rules and directives of any Relevant Authority; and
- (c) pay their Service Charges and all other amounts due to the Building Owners Association as and when such amounts fall due.

17.2 Nature of Owners Obligations

- (a) The obligations of each of the Owners under this Declaration are several and not joint and several. Accordingly, subject to any Applicable Laws to the contrary, no Owner will incur a liability to another party by reason of the default of one or more of the other Owners.
- (b) Any provision of this Declaration imposing an obligation (positive or negative) on an Owner (other than the requirement to pay Service Charges) imposes that obligation on an Occupier as if such provision were repeated entirely in this Declaration except that the reference to "**Owner**" shall be read as a reference to "**Occupier**".
- (c) Owners must use all reasonable commercial endeavours to ensure that its Occupiers (and any Invitees) comply with all of their obligations under this Declaration and the Building Owners Association may exercise any rights against each and any of the Owners or Occupiers in relation to a breach by any of them.
- (d) Where there is an Occupier of a Unit, it is deemed that the Owner has assigned its rights of use and access granted to the Owner under this Declaration to that Occupier, however the Owner shall remain responsible to the Building Owners Association with respect to such rights of use and access.

17.3 Indemnity

- (a) Each Owner:
 - (i) is liable for all things the Owner does or fails to do and the consequences of the actions or failure in occupying or using its Unit, the Building Common Areas or the Building; and
 - (ii) releases, indemnifies and holds harmless the other Owners, the Building Owners Association, the Building Owners Association Manager, the Developer and their respective Suppliers and authorised nominees against all actions, claims, costs, damages, demands, expenses, liabilities, losses, proceedings or other liability in any way arising directly or indirectly from or otherwise in connection with:
 - (A) the Owner's (and its Occupiers' and Invitees') occupation or use of its Unit, the Building Common Areas, the Car Park, any Terrace Area and/or the Building; and
 - (B) any actions or omissions by the Owner, its Occupiers or Invitees and/or any breach by the Owner, its Occupiers or Invitees of any of its obligations under this Declaration and Applicable Laws.
- (b) For the avoidance of doubt, no Owner shall benefit from any indemnity from another Owner where it contributed to or caused the loss, claim or liability.
- (c) For the avoidance of doubt, in this **clause 17.3** a reference to an Owner includes its Occupiers and Invitees.

17.4 Maintenance and Repair

- (a) An Owner must at its own cost:
 - (i) properly maintain, clean and keep in a state of good and serviceable repair the Owner's Unit;
 - (ii) maintain the Exclusive Services (including the structures, conduits, machinery equipment and any other thing or service) servicing its Unit at all times by, amongst other things, ensuring that those Exclusive Services are regularly inspected, maintained, repaired and kept in a structurally sound fully operational working condition; and
 - (iii) properly operate, maintain, repair, and whenever reasonably necessary renew or replace any fixtures or fittings within its Unit which may, if not properly operated, maintained, repaired, renewed or replaced, have an adverse impact on the proper functioning of the Building Common Areas.

Purchaser's Initial

Seller's Initial

- (b) In carrying out its functions in this **clause 17.4**, an Owner must engage only licensed Suppliers Approved by the Building Owners Association and must comply with the provisions in this Declaration (including the Architectural Code, the Building Rules), all Applicable Laws and any applicable requirements and regulations of any Relevant Authority.

17.5 Maintenance of Building Common Areas

- (a) The Building Owners Association is responsible for the Operation of the Building Common Areas.
- (b) Subject to **clause 17.5(c)**, the costs of the Building Owners Association undertaking any maintenance, repair, refurbishment and replacement of the Building Common Areas shall be payable by the Owners by way of Service Charges.
- (c) If any maintenance, repair, refurbishment and replacement of the Building Common Areas is required as a result of the negligence or wilful act of an Owner (or its Occupier or Invitee) or the use, other than for the usual and permitted use, by an Owner (or its Occupier or Invitee) of any part of the Building (excluding fair wear and tear), the costs of the Building Owners Association undertaking such maintenance, repairs, refurbishment and replacement of the Building Common Areas shall be recoverable by the Building Owners Association from the responsible Owner as a debt payable on demand.
- (d) The Building Owners Association must ensure that it is prepared for any Reserve Fund Expenses. Accordingly, the Building Owners Association must, at intervals of three (3) years or such lesser time as the Building Owners Association shall determine necessary, appoint a suitably qualified, independent and licensed person to prepare a Reserve Fund Projection.
- (e) The Building Owners Association must review the Reserve Fund Projection at least every year to determine whether the Reserve Fund Projection remains relevant, whether any adjustments to the Reserve Fund Contributions are necessary to ensure that there are sufficient funds in the Reserve Fund to pay for the Reserve Fund Expenses and whether it is necessary to commission a further Reserve Fund Projection.
- (f) Each Owner must pay to the Building Owners Association its Reserve Fund Contribution as part of its Service Charges calculated in accordance with **clause 12.5(b)** as and when such Service Charges fall due.

17.6 Emergency Repairs

- (a) The Owners and Occupiers expressly authorise the Building Owners Association to undertake (and authorise or engage any Supplier to undertake) any Emergency Repairs to the Building Common Areas and the Units.
- (b) The costs of the Building Owners Association undertaking any Emergency Repairs to a Unit shall be payable by the Owner of that Unit that required the repair unless:
 - (i) the Emergency Repairs are required as a result of the negligence or willful act of another Owner (or its Occupier or Invitee) or the use, other than for the usual and permitted use, by another Owner (or its Occupier or Invitee) of any part of the Building (excluding fair wear and tear), in which case the costs of such Emergency Repairs shall be payable by the responsible Owner; or
 - (ii) the Emergency Repairs are as a result of damage caused by the failure of the Building Common Areas (or any part thereof) in which case, the cost of the Emergency Repairs shall be payable by the Owners in accordance with **clause 17.5(b)**.
- (c) The costs of the Building Owners Association undertaking Emergency Repairs to the Building Common Areas shall be payable by the Owners in accordance with their Unit Entitlements unless the Emergency Repairs are required as a result of the negligence or wilful act of an Owner (or its Occupier or Invitee) or the use, other than for the usual and permitted use, by an Owner (or its Occupier or Invitee) of any part of the Building

(excluding fair wear and tear), in which case the costs of the Building Owners Association undertaking any Emergency Repairs shall be recoverable by the Building Owners Association from the responsible Owner as a debt payable on demand.

17.7 Reporting damage or want of repair

The Owners must report any damage or want of repair to the Building Common Areas to the Building Owners Association as soon as becoming aware of such damage or want of repair.

17.8 Reduce disturbance

The Building Owners Association and the Owners shall carry out their maintenance, repair, refurbishment and replacement obligations under this Declaration in such a manner so as to cause as little disturbance as reasonably possible to other Owners' and Occupiers' lawful use or quiet enjoyment of their Unit.

18 Terrace Areas

18.1 Terrace Areas form part of the Unit in which located

The Terrace Areas (excluding any part of the Façade and equipment used to illuminate or clean the Façade) form part of the Units within which they are located. The day to day cleaning, repair and general maintenance of the Terrace Areas is the responsibility of the Owner whose Units have located within it the Terrace Areas.

18.2 No Structural Works

An Owner must not carry out any structural Works on its Terrace Area nor otherwise alter a Terrace Area in any manner without the Approval of the Building Owners Association including:

- (a) the erection of any structure;
- (b) the enclosure or partial enclosure or any part of the Terrace Area; or
- (c) the painting or resurfacing of any surface of the Terrace Area including any walls or balustrades.

18.3 Maintenance of the Terrace Areas

In addition to the obligations contained in **clause 18.1**, an Owner must:

- (a) clean and maintain the surface of the Terrace Area in accordance with the directions of the Building Owners Association;
- (b) not penetrate the surface of the Terrace Area in anyway;
- (c) not attach any item to any surface of the Terrace Area including any wall or balustrade; or
- (d) not use any chemicals or cleaning solvents of a corrosive nature that may affect the waterproof membrane of the Terrace Area.

18.4 Items on the Terrace Areas

- (a) An Owner must not, without the Approval of the Building Owners Association, place anything on a Terrace Area that is not in keeping with the rest of the Building including:
 - (i) umbrellas, awnings, screens, shutters or the like;
 - (ii) structures of a temporary or permanent nature;
 - (iii) planter boxes, garden sheds or pergolas;
 - (iv) large outdoor ornaments or plants that extend over the height of the balustrades;
 - (v) washing or laundry items;
 - (vi) satellite dishes, aerials, electronic devices, external stereo equipment (including external speakers and wiring); or
 - (vii) additional external lighting and/or security devices.
- (b) An Owner must ensure that any item Approved by the Building Owners Association in accordance with **clause 18.4(a)** must:

- (i) be appropriately weighted so as not to be affected by wind; and
- (ii) not overload the Terrace Area or otherwise impact upon the structure of the Building.

18.5 No Barbeques on Terrace Areas

An Owner or Occupier must not place any barbeque or cooking equipment of any nature on a Terrace Area.

19 Signage

A Unit Owner must not erect any Signage.

20 Developer's Name, Signage and Building Name

- (a) The Owners acknowledge that the Building Name is the sole and exclusive property of the Developer.
- (b) The Developer may affix or exhibit any Signage on the Façade and other parts of the Building in its absolute discretion.
- (c) The Developer may in its sole discretion remove any Signage displaying the Developer's Name from the Building at any time in its sole discretion.

21 Rights of Access

- (a) Each Owner must allow and irrevocably authorises the Building Owners Association, the Building Owners Association Manager and the Developer (and their respective Suppliers) to enter and access all parts of the Building and the Units (through, over or under the Building and the Units) at all reasonable times upon reasonable notice (except in the case of emergency where no notice is required) to do all things required by this Declaration including:
 - (i) access to the Façade to undertake any cleaning, repair and/or maintenance and to carry out any other obligations under this Declaration; and
 - (ii) access to secure and/or run cabling and equipment to and/or over any part of the Building or a Unit as may be necessary to enable them to perform their function or exercise their rights under this Declaration.
- (b) Each Owner must allow and irrevocably authorises the Building Owners Association, the Building Owners Association Manager (and its respective Suppliers) to enter any part of its Unit at all reasonable times upon reasonable notice for the purpose of reading any meter installed within the Unit relating to any Building Common Areas, the Owner's Unit or which is otherwise charged by or through the Building Owners Association.
- (c) No Owner may charge the Building Owners Association, the Developer or the Building Owners Association Manager any fee for providing access to its Unit to do things required by this Declaration.
- (d) When any party exercises its right to access parts of the Building or a Unit, they must:
 - (i) not interfere unreasonably with an Owner's lawful use or quiet enjoyment of its Unit or the Building Common Areas;
 - (ii) cause as little damage as possible to the Building Common Areas or the Unit and any improvements on them; and
 - (iii) if physical damage is caused as a result of the exercise of the right of access, that party must, at its own cost, restore the Unit or Building Common Areas as nearly as practicable to the condition it was in before the damage occurred.

22 No Obstruction

All Owners and Occupiers must keep free and unobstructed all areas designated as fire access areas, fire assembly areas, access ways and the like at all times.

23 Building Related Insurance Arrangements

23.1 Required Insurance

Purchaser's Initial

Seller's Initial

- (a) The Building Owners Association must effect and maintain adequate and appropriate Insurances for the Building.
- (b) All Insurance policies shall be maintained with a reputable insurer in the name of the Building Owners Association and must be for the full replacement value of the Building including a specific allowance for the removal of debris.
- (c) No Owner may seek to have the interest of any mortgagee noted on the Insurance policies except with the prior Approval of the Building Owners Association.
- (d) The Building Owners Association must:
 - (i) have the Building valued at least once every three (3) years (or more frequently if determined by the Building Owners Association by Resolution) for insurance purposes by an appropriately qualified and licensed valuer who has a minimum of five (5) years' experience;
 - (ii) insure the Building for the sum determined by the valuer or quantity surveyor (or a higher sum if determined by the Building Owners Association by Resolution); and
 - (iii) ensure that an appropriate allowance is incorporated in the amount of cover under the Insurances to allow for cost increases which may occur during the period of the Insurances.
- (e) An Owner may assign its interest in the Insurances to a nominated bank or financial institution and provide a direction to the Building Owners Association to notify such bank or financial institution in the event of any claim upon the Insurances or the payment of any insurance proceeds to the Building Owners Association.

23.2 Apportionment of Insurance Costs

All Insurance premiums are General Fund Expenses and are to be paid by the Owners in the proportions determined by the Building Owners Association by Resolution.

23.3 Total Destruction of the Building

- (a) In the event of the Building being totally destroyed or damaged so extensively as to render the repair or making good of such damage impractical or undesirable, the Building Owners Association may by Resolution elect to:
 - (i) reinstate the Building substantially in accordance with its original design from the insurance monies available (and to the extent this may be insufficient, from contributions from the Owners in the Relative Proportions);
 - (ii) construct a newly designed Building upon the plans and specifications Approved by the Building Owners Association from the insurance monies available (and to the extent this may be insufficient, from contributions from the Owners in the Relative Proportions); or
 - (iii) demolish the Building and clear the Plot of all improvements, structures, rubbish and debris and sell the Plot for market value and distribute the insurance and sale proceeds between the Owners in the Relative Proportions.
- (b) If the Owners acting reasonably are unable to reach agreement regarding the application of this **clause 23.3**, then they shall be deemed to be in dispute and **clause 29.1** shall apply.

23.4 Partial Destruction

In the event of the Building being partially destroyed or damaged the Building Owners Association will, from the insurance monies available (and to the extent this may be insufficient, from contributions from the Owners in the Relative Proportions), repair, replace and make good the destroyed or damaged portion as nearly as possible to the condition in which it was immediately prior to the damage or destruction with modifications as determined by the Building Owners Association by way of Resolution), or as may be required by any Relevant Authority.

23.5 Additional Insurance Provisions

Purchaser's Initial

All monies received by the Building Owners Association in settlement of any claim under the Insurance will be paid into the General Fund and held until distributed or expended in accordance with clauses **23.3** and **23.4**.

23.6 Insurance not to be Voided

An Owner or Occupier must not at any time do, permit, omit or suffer to be done committed or omitted any act, matter or thing in the Building, or bring or keep anything in the Building which may render any Insurance void or voidable or increase the cost of any Insurance unless, in the latter case, the relevant Owner promptly pays any such additional cost.

24 Contents Insurance

- (a) All Owners must effect and maintain adequate and appropriate contents insurance covering damages to the Unit.
- (b) All insurance policies are to be taken out with a reputable insurer in the name of the Owner and must be for the full replacement value of the Unit's contents.

25 Building Owners Association Car Parking

25.1 Car Parking Allocation

- (a) The Car Parking Space of each Unit is included in the title to the respective Unit.
- (b) Each Owner may park one vehicle wholly within each Car Parking Space only subject to the terms of this Declaration, the Building Rules and all Applicable Laws.

25.2 Maintenance and Management of Car Park

- (a) The Building Owners Association retains full and exclusive control, possession and management of the Car Park and no owner has the right to exclude the Building Owners Association from the Owners' designated Car Parking Spaces at anytime.
- (b) The Building Owners Association shall be responsible for the operation, repair and maintenance of the Car Park (including the Car Parking Spaces) together with its operation, repair and maintenance of the Building Common Areas.

25.3 Use of Car Parking Spaces

The Owners must at all times comply with the directions of the Building Owners Association Manager with respect to the use of the Car Park and the Car Parking Spaces at all times.

25.4 Suspension of Car Park Use

- (a) The Building Owners Association may suspend an Owner's use of its Car Parking Spaces in the event that:
 - (i) the Owner fails to pay all moneys due and payable to the Building Owners Association under this Declaration by the due date for payment; or
 - (ii) the Owner breaches its obligations under this Declaration and fails to rectify such breach upon notice from the Building Owners Association within the period specified in such notice, for such period as any such breach is subsisting.
- (b) Any suspension of the use of the Car Parking Spaces pursuant to **clause 25.4(a)** is without prejudice to any other right of action of the Building Owners Association in respect of any breach of the Owner's obligations.

25.5 Alienation of Car Parking Spaces

An Owner must not sell, transfer or assign the ownership or benefit of or otherwise deal in any way with its Car Parking Space and must not part with or share the possession or occupation of the whole or any part of its Car Parking Space separately from any disposition of its Unit without the Approval of the Building Owners Association and the requirements of the Relevant Authority (including the minimum car parking requirements imposed by the

Relevant Authority from time to time with respect to such Unit).

25.6 Car Parking Expenses

Each Owner must promptly pay all future charges, duties, fees, levies, outgoings, rates, taxes and obligations whatsoever payable to any Relevant Authority in respect of its Car Parking Space.

25.7 Developer's Rights with respect to Extra Car Parking Spaces

- (a) Notwithstanding any other provisions contained herein, subject to Applicable Laws, the Developer may transfer the Extra Car Parking Spaces in its absolute discretion to any Owner.
- (b) The Building Owners Association and the Owners shall do all things necessary to Register an amendment to this Declaration to reflect the transfer of such Extra Car Parking Spaces to the transferee to the fullest extent permitted under Applicable Law, at the cost of the transferee.
- (c) Any Extra Car Parking Spaces held by the Developer shall not be subject to any charges until such time as the Developer transfers the Extra Car Parking Spaces.

25.8 Visitor Car Parking

The Owners acknowledge and agree that there is no visitor car parking provided within the Car Park.

25.9 Rights of Entry

Subject to all Applicable Laws, the Owners and Occupiers must permit the Building Owners Association and those persons authorised by it, at all times:

- (a) to remove or move any vehicle not parked in accordance with the directions of Building Owners Association Manager including, without limitation, any vehicle not parked wholly within a designated Car Parking Space, without any liability to the Building Owners Association and those persons authorised by them, in respect of any damage or loss caused in so doing provided that reasonable care is taken; and
- (b) to enter upon any allocated Car Parking Spaces for all reasonable purposes in connection with the maintenance, repair, decoration, alteration or other Works to the Car Park or the Building.

26 Failure of Owner to Carry out its Obligations

- (a) Subject to all Applicable Laws and in addition to any other rights the Building Owners Association may have, if an Owner does not carry out its obligations under this Declaration then the Building Owners Association may, at the cost of the Owner payable as a debt on demand, do anything reasonably necessary for the purpose of fulfilling the obligations of the Owner including:
 - (i) carrying out work on the Owner's Unit to do anything the Owner has failed to do;
 - (ii) taking any steps to prevent access to or suspend the use of any Unit Leisure Facilities by any Unit Owner or Occupier until such time as the Unit Owner rectifies the breach;
 - (iii) taking any steps to prevent access to or suspend the use of any Car Parking Spaces by any Owner or Occupier (and their Invitees) until such time as the Owner rectifies the breach;
 - (iv) taking any steps to prevent access to the Building Common Areas by any Suppliers engaged by the Owner to undertake any unauthorised work until such time as the Owner rectifies the breach;
 - (v) removing any items that contravene this Declaration and storing them at the cost of the Owner. If not claimed within a reasonable period then such items may be disposed of by the Building Owners Association at its sole discretion and any proceeds offset against such removal and storage costs;

- (vi) requiring the Owner to remove any unauthorised work and to reinstate the Unit or any Building Common Areas; and
 - (vii) undertaking (or engaging any Supplier to undertake) any work necessary to remove any unauthorised work and to reinstate the Unit or any Building Common Areas if not undertaken promptly by the Owner.
- (b) Except when carrying out Emergency Repairs, before exercising its rights pursuant to **clause 26(a)**, the Building Owners Association must by written notice, give the Owner a reasonable period of time, having regard to the nature of the obligation not performed, to carry out the obligation.
 - (c) The costs of the Building Owners Association undertaking any Works in accordance with this **clause 26** shall be a debt payable by the defaulting Owner to the Building Owners Association on demand.
 - (d) An Owner must not vote in respect of any motion so as to prevent the Building Owners Association from taking any action against such Owner to enforce the provisions of this Declaration.

27 Power to Impose Fines

- (a) The Building Owners Association may from time to time impose fines on any Owner or Occupier who fails to comply with this Declaration, including failing to strictly comply with the Building Rules.
- (b) Where the breach by the Owner or Occupier is capable of rectification to the reasonable satisfaction of the Building Owners Association, the Building Owners Association must first give the Owner or Occupier (as the case may be) notice of the breach and a reasonable period to rectify such breach (given the nature of the breach) prior to the issuing of a fine under **clause 27(a)**.
- (c) The Building Owners Association may prepare a schedule of offences and corresponding fines which may be varied by the Building Owners Association from time to time provided that all fines imposed by the Building Owners Association are commensurate with the nature of the breach of the Owner's or Occupier's obligations under this Declaration. Such schedule of offences and fines must be notified to the Owners and Occupiers or otherwise displayed on the Building Common Areas. The Building Owners Association may increase the quantum of any fines in respect of any regular or repeated breaches.
- (d) The Building Owners Association may elect not to impose a fine (or waive the payment of a fine imposed) in respect of any breach by an Owner or Occupier in certain circumstances, as it deems appropriate at its discretion. Any such waiver to apply a fine or enforce payment of a fine against an Owner or Occupier does not prevent the Building Owners Association from applying or enforcing payment of a fine for breach against other Owners or Occupiers.
- (e) All fines imposed against an Owner or Occupier shall constitute a debt payable to the Building Owners Association and shall be payable within fourteen (14) days of the date of the enforcement notice issued by the Building Owners Association.
- (f) A failure by an Owner or Occupier to pay any fine imposed by the Building Owners Association under this **clause 27** shall further be considered to be a breach equating to a failure to pay Service Charges and the provisions in this Declaration regarding the failure of an Owner to pay Service Charges shall apply equally to such breach.

28 Lien over Units

- (a) The Owners acknowledge that failure to pay Service Charges (or any other moneys payable under this Declaration) on time is a violation of the Jointly Owned Property Law and may result in civil penalties including a lien being Registered against their Unit by the Building Owners Association.
- (b) Furthermore, subject to compliance with all Applicable Laws, continued failure to pay Service Charges (or any other moneys payable under this Declaration) may result in the legal enforcement of a lien over the Unit, which may result in a public auction of

the Unit and the deduction of the outstanding Service Charges (and any other moneys payable under this Declaration) from the selling price by the Building Owners Association.

- (c) In accordance with the Jointly Owned Property Law, the rights of the Building Owners Association to take action against an Owner in respect of unpaid Service Charges (or any other moneys payable under this Declaration) remain in force notwithstanding any transfer of ownership of the Unit from the Owner to a third party.

29 Other Matters

29.1 Dispute Resolution

Any dispute arising with respect to the formation, interpretation, nullification, termination or invalidation of this Declaration and/or the exercise of rights and/or the performance of obligations by the Building Owners Association and/or the Owner shall be resolved in accordance with Applicable Laws.

29.2 Consent of the Building Owners Association

The Building Owners Association (and/or the Board) may refuse its consent to any matter, where its consent is required under this Declaration or the Applicable Laws, in the event that the Owner seeking such consent is in breach of any of its obligations under this Declaration or the Applicable Laws, including the non-payment of Services Charges.

Schedule 5 Architectural Code

Eaton Place by Ellington Architectural Code

1 Overview

1.1 Purpose of this Architectural Code

The purpose of this Architectural Code is to control the external appearance of the Building by governing any Works to be undertaken within the Building in order to:

- (i) preserve the design integrity and architectural quality of the Building;
- (ii) recognise the different needs of the Owners while having proper regard to the common interest of all the Owners as a whole;
- (iii) maintain the high aesthetic standards that make the Building an attractive and desirable place to reside; and
- (iv) to uphold property values for the Owners.

1.2 What does this Architectural Code Regulate?

This Architectural Code regulates all Works to be undertaken to the Building.

1.3 Who must comply with this Architectural Code?

The Building Owners Association and all Owners (and other parties bound by the Declaration) must comply with this Architectural Code.

1.4 Can this Architectural Code be varied?

The Building Owners Association (with the approval of the Developer) may vary the provisions contained in this Architectural Code as it considers to be in the best interest of the Building from time to time in accordance with the Declaration. The Building Owners Association shall notify the Owners of any variation to this Architectural Code as soon as practicable after such variation.

1.5 Disputes

The dispute resolution provisions contained in **clause 29.1** of the Declaration apply to any dispute as to the interpretation or application of this Architectural Code and to any dispute with respect to the granting or refusal of any consent under this Architectural Code.

1.6 Definitions and Interpretation

Except where the context otherwise requires, the definitions and rules of interpretation contained in the Declaration, of which this Architectural Code forms part, apply to this Architectural Code.

2 Architectural Standards

2.1 Alterations to Unit's Appearance

An Owner must not, except as otherwise provided in the Declaration, carry out any Works to any building, structure, external area or Façade which changes the external appearance of its Unit from that Approved by the Building Owners Association and the Developer (and

the Relevant Authorities) as at the time of construction, including any changes to or the erection of:

- (i) the colour of any surface;
- (ii) the type or quality of the materials used (unless such materials are of a higher quality);
- (iii) the reflective nature of any surface;
- (iv) the soundproofing qualities of any materials or surface;
- (v) any sunscreen or sun shading device (including the erection of any awning, pergola, pagoda or the like);
- (vi) the nature of any hard surface, paving or walkway;
- (vii) the nature of any landscaping;
- (viii) any satellite dishes, aerials, electronic devices, external stereo equipment (including external speakers and wiring); and/or
- (ix) the external lighting and/or security devices.

3 Building Standards

3.1 In addition to complying with this Architectural Code at all times, an Owner must ensure that all Works undertaken to its Unit:

- (i) are in compliance with the remaining provisions of this Declaration and all Applicable Laws;
- (ii) are undertaken by reputable, qualified and licensed professional Suppliers experienced in undertaking such Works Approved by the Building Owners Association and the Developer;
- (iii) are undertaken in a proper, workmanlike and timely manner;
- (iv) are undertaken promptly and in a manner in which the least inconvenience or nuisance is caused to other Owners;
- (v) involves the use of only high quality (and, where possible, new) materials fit for their purpose; and
- (vi) are undertaken only after all necessary certifications have been obtained (including any engineer's certification and the like) to ensure that such Works do not impact on the structural integrity of the Building Common Areas or any neighbouring building or structures.

3.2 In undertaking any Works, an Owner must ensure that all debris is regularly removed and its Unit and any Building Common Areas are left clean and tidy at all times during the undertaking of the Works and once the Works are completed.

3.3 An Owner must not, without the Approval of the Building Owners Association and the Developer, place or store any items or building materials in the Building Common Areas at any time.

3.4 An Owner must promptly repair any damage caused to any Building Common Areas during or as a result of its Works in accordance with the directions of the Building Owners

Association and the Developer.

3.5 An Owner must at all times follow the directions of the Building Owners Association when undertaking Works or delivering items or materials over the Building Common Areas.

3.6 The Building Owners Association and the Developer may from time to time issue guidelines setting out certain Approved building standards and materials that may be used when undertaking certain Works.

4 Working Hours

4.1 Approved Works shall only be carried out on Business Days between the hours of 9.00 am and 5.00 pm or such other hours Approved by the Building Owners Association and Developer.

4.2 An Owner may apply to the Building Owners Association and the Developer for Approval to work extended hours provided such extended hours do not disturb other Owners in the Building.

5 Insurance

An Owner must ensure that all Suppliers who undertake any Works are adequately insured and comply with all Applicable Laws and must provide to the Building Owners Association a copy of the Supplier's insurance policies prior to commencing Works.

6 Approvals

6.1 Approvals to Works

(a) Any Owner must not undertake any Works with obtaining the Approval of the Building Owners Association and the Developer.

(b) An Owner must obtain all necessary consents and approvals from any Relevant Authorities before it carries out any Works and must provide to the Building Owners Association and the Developer a copy of such consents and approvals prior to commencing such Works.

6.2 Making an Application for Approval

(a) Should an Owner desire to undertake any Works to its Unit, it shall submit to the Building Owners Association and the Developer a Building Works Proposal:

- (i) detailing the nature and extent of the Works;
- (ii) attaching plans and specifications of the Works;
- (iii) specifying the estimated time period for the carrying out of the Works; and
- (iv) stating whether any Building Common Areas will be affected.

(b) The Building Owners Association (on behalf of the Developer) shall use all reasonable commercial endeavors to consider the Building Works Proposal and respond to the applicant within twenty (20) Business Days advising whether the Building Works Proposal has been approved.

(c) The Building Owners Association (on behalf of the Developer) may require the applicant to submit further plans or specifications and may appoint consultants to review and make recommendations regarding the Building Works Proposal. All consultants' costs are the responsibility of the applicant.

(d) The Building Owners Association and the Developer may require variations to the Building

Works Proposal submitted by the applicant to ensure that the Works accord with this Architectural Code, including being in keeping with the design, standard and quality of the Building. The applicant may amend the Building Works Proposal and resubmit it to the Building Owners Association and the Developer for approval until such time as the Building Works Proposal is approved by the Building Owners Association and the Developer.

- (e) The Building Owners Association and the Developer may charge the applicant a reasonable fee for assessing the Building Works Proposal, including any expenses incurred by the Building Owners Association and the Developer in such process.
- (f) The Building Owners Association and the Developer may require the applicant to pay a reasonable refundable deposit as security against damages to the Building caused by the Works or transportation of materials through the Building (or otherwise incurred due to a default of the applicant's obligations under this Architectural Code) (the "**Security Deposit**"). The Building Owners Association and the Developer may determine the amount of the Security Deposit based on the nature of the proposed Works and the Owner authorises the Building Owners Association Manager to use the Security Deposit to rectify any damage. The applicant must pay any shortfall promptly on demand. Any balance of the Security Deposit will be refunded to the applicant once the Works are completed and any damage has been rectified to the satisfaction of the Building Owners Association and the Developer.
- (g) Only after Approval by the Building Owners Association and the Developer of the Building Works Proposal, the applicant must, at its own expense, obtain all necessary consents, approvals and licences (including for the avoidance of doubt, any necessary consent from any Relevant Authority) in relation to the Works outlined in the Building Works Proposal (the "**Authority Consent**").
- (h) If the Works contemplated by another Owner have been approved by the Building Owners Association and the Developer, other Owners must not unreasonably refuse to consent to an application to any Relevant Authority made by the Owner and must execute any documentation necessary to evidence such consent.
- (i) The applicant shall not commence any Works until it has provided the Building Owners Association and the Developer a copy of the Authority Consent and details of the Suppliers proposed to be engaged to undertake the Works for Approval of the Building Owners Association and the Developer.
- (j) The applicant shall proceed with the Works strictly in accordance with the Authority Consent, the Building Works Proposal Approved by the Building Owners Association and the Developer and this Architectural Code.
- (k) During and upon completion of the Works by the applicant, the Building Owners Association and the Developer (or its representative) may inspect the Works at any time to ensure that they are being, or have been, undertaken in accordance with this Architectural Code. The applicant must rectify, replace and/or remove any items as notified by the Building Owners Association and the Developer that have been constructed or installed otherwise than in accordance with this Architectural Code as determined by the Building Owners Association and the Developer in their absolute discretion.
- (l) In the event that an Occupier undertakes the Works, the Owner remains liable for the Works and for ensuring that the Works are undertaken by the Occupier in accordance with this Architectural Code.
- (m) The Owner indemnifies and shall keep indemnified the Building Owners Association, the Developer and the other Owners (and their Occupiers) against all actions, proceedings, claims, demands, losses, costs, expenses, damages and liability (including any liability for any injury to any person or any damage to any land or

property) arising directly or indirectly from the undertaking of the Works, including any loss suffered resulting from any defective work undertaken and the entry of any Suppliers into the Building.

6.3 Conditional Approvals

The Building Owners Association and the Developer may make conditions if they approve a Building Works Proposal. These conditions may include:

- (i) a reasonable time frame for the Works to be completed;
- (ii) the hours and days during which the Works must be carried out;
- (iii) the hours and days during which materials may be delivered to the Unit (including the manner and route in which materials must be delivered); and
- (iv) the materials to be used and methods of construction to be adopted.

6.4 Standing Approvals

The Building Owners Association and the Developer may grant an Owner a standing approval to undertake a specified type of Works from time to time without the necessity for seeking further approval from the Building Owners Association and the Developer on each occasion.

6.5 Revoking Approval

The Building Owners Association and the Developer may revoke its approval of Works if an Owner does not comply with conditions of the approval, including any condition that the Works be complete within a specified time frame.

7 Failure to Comply with Architectural Code

Should an Owner fail to comply with the provisions of this Architectural Code, the Building Owners Association and the Developer may:

- (i) take all steps to prevent access to the Building by any Suppliers engaged to undertake unauthorised Works;
- (ii) require the Owner to remove any unauthorised Works and reinstate the Unit;
- (iii) undertake (or authorise or engage any Supplier to undertake) any work necessary to remove any unauthorised Works and reinstate the Unit if not undertaken promptly by the Owner; and
- (iv) recover the cost of any works required to be undertaken from the defaulting Owner.

Schedule 6 Building Rules

1 General

1.1 Introduction

Building Rules are implemented to maintain harmony and an appropriately high standard of living or occupation for every Owner and Occupier. They ensure that the behaviour of all Owners, Occupiers (and Invitees) is of an acceptable standard for the well-being of other Owners and Occupiers in the Building. All Owners and Occupiers must be familiar with and abide by the Building Rules at all times and must ensure that their Invitees abide by the Building Rules.

1.2 Definitions and Interpretation

- (i) An Owner must not, without the Approval of the Building Owners Association, maintain within its Unit any item or furnishing that when viewed from outside its Unit is not in keeping with the rest of the Building.
- (ii) An Owner must not, except with the Approval of the Building Owners Association, hang any washing, towels, bedding, clothing or other article on any part of its Unit (or in any Building Common Areas) in such a way as to be visible from outside its Unit.
- (iii) An Owner must not hang or place any pots or other items on top of any wall or railing and each Owner must ensure water is captured from potted plants placed within its Unit.
- (iv) An Owner must not install any television aerials or satellite dishes to the exterior of its Unit and if the Owner fails to comply with this **Building Rule 1.7(iv)**, the Building Owners Association shall give the Owner seven (7) days' notice in writing to remove such television aerials or satellite dishes and should the Owner fail to do so, the Building Owners Association will be entitled to remove these at the cost of the Owner and shall not be made liable for any losses or damages due to the Owner's breach.

1.8 Security

- (i) An Owner must use all reasonable endeavours to keep its Unit secure from theft or robbery at all times including ensuring that all doors, windows and openings are closed and securely locked when its Unit is not occupied. An Owner expressly authorises the Building Owners Association and the Building Owners Association Manager to enter and secure its Unit at the Owner's cost if its Unit is left unsecured and unoccupied.
- (ii) An Owner must strictly comply with all rules and directions of the Building Owners Association with respect to any security procedures implemented from time to time by the Building Owners Association, including emergency evacuation drills and procedures which may be carried without prior notice during the standard commercial business hours. An Owner must comply strictly with all fire, safety and health regulations as prescribed from time to time by the Building Owners

Association and all Relevant Authorities.

- (iii) An Owner must provide the Building Owners Association and the Building Owners Association Manager with a list of key holders and their contact details together with details of emergency contact numbers and private addresses for the Owner. An Owner must notify the Building Owners Association and the Building Owners Association Manager of any change in key holder's information, whether permanent or temporary.

1.9 No Smoking

- (i) An Owner may only smoke in the open external Building Common Areas designated as "Smoking Areas" (if any), as such areas may be varied and determined by the Building Owners Association or any Relevant Authority from time to time.
- (ii) An Owner must dispose of cigarette butts and any other smoking residue in rubbish receptacles and must not, under any circumstances, depose of any cigarette butts and any other smoking residue on the Building Common Areas or in a manner that gives rise to a risk of fire.
- (iii) The Building Owners Association shall be permitted to change the smoking policy within the Building from time to time in response to changes in the Applicable Law or market practices.

1.10 Preservation of Fire Safety

An Owner must not do anything in its Unit (or in any Building Common Areas) or the Building that is likely to affect the operation of fire safety devices in the Building or to reduce the level of fire safety in the Building.

1.11 Prevention of Hazards

- (i) An Owner must not do anything in its Unit (or in any Building Common Areas) or the Building that is likely to create a hazard or danger to any other Owner or any person.
- (ii) An Owner must not without the Approval of the Building Owners Association, use or store in its Unit (and any Building Common Areas) any flammable chemical, liquid or gas or other flammable material.
- (iii) An Owner must not have any naked flames within its Unit.
- (iv) **Building Rules 1.11(i), 1.11(ii) and 1.11(iii)** do not apply to chemicals, liquids, gases or other material used or intended to be used for domestic or standard commercial purposes, or any chemical, liquid, gas or other material in a fuel tank of a motor vehicle or internal combustion engine.
- (v) An Owner must not do or keep in any Unit (or in any Building Common Areas) anything which will increase the rate of insurance payable by the Building Owners Association, or cause such insurance to be cancelled or voided.
- (vi) An Owner must not leave any glass containers within the Building Common Areas.
- (vii) An Owner must not leave any cooking appliance unattended when in use and must only use cooking appliances in the designated kitchen areas.
- (viii) No use of barbeques or cooking equipment of any nature is allowed on any Terrace Areas or in any Building Common Areas save for designated barbecue

areas as shall be determined by the Building Owners Association from time to time.

1.12 Cyclists

- (i) Cyclists may ride bicycles responsibly within the access ways subject to giving pedestrians the right of way.
- (ii) No battery powered toys are allowed in any external Building Common Areas.

1.13 Holiday / Celebration Decorative Lighting

- (i) A Unit Owner may install temporary holiday or festive lighting within their Unit during Eid and other festive and national holidays. Lighting must not be installed any earlier than ten (10) days before the holiday/celebration, and must be removed within ten (10) days after the holiday/celebration.
- (ii) The lighting must be approved by the Building Owners Association. Flashing decorative lights, or lighting that creates glare visible from outside the Unit, is prohibited. Any lighting installed must not cause interference, nuisance or annoyance to other Owners within the Building.

2 Building Common Areas

2.1 Obstruction of Building Common Areas

- (i) An Owner must not obstruct the lawful use of the Building Common Areas by any authorised person except with the Approval of the Building Owners Association.
- (ii) An Owner must not in any way cover or obstruct any lights, skylights, windows or other means of illumination of the Building Common Areas.
- (iii) If an Owner fails to comply with this **Building Rule 2.1**, the Building Owners Association is entitled to remove any obstructing items and store such items or dispose of the items at the Owner's sole cost and expense without notice to the Owner.

2.2 Damage to Building Common Areas

- (i) An Owner must not mark, paint, drive nails or screws or the like into, or otherwise damage or deface, any structure that forms part of the Building Common Areas without the Approval of the Building Owners Association.
- (ii) An approval given by the Building Owners Association under **Building Rule 2.2 (i)** cannot authorise any additions to the Building Common Areas.
- (iii) This **Building Rule 2.2** does not prevent an Owner or person authorised by an

Owner from installing:

- (i) any locking or other safety device for protection of the Owner's Unit against intruders or to improve safety within the Owner's Unit,

2.3 Without prejudice to the provision of Article 9 of the JOP Law, the interest in the Common Areas is owned by the Owners in common in proportion to their respective Entitlements and is not held by the Owners Association.

3 OWNERS ASSOCIATION BOARD

3.1 The Owners Association shall have a Board comprised of not less than five (05) nor more than seven (07) members and three (03) reserve members which is responsible for the conduct of the affairs of the Owners Association, subject only to the limits imposed by this Constitution or a Special Resolution.

3.2 The Board shall be made up of Owners, or their duly authorized representatives, elected at each AGA. No Owner, including the Master Developer, the Developer and any sub-developer, shall be represented on the Board by more than one member.

3.3 No Owner, or their nominee, may stand for election to the Board where any Service Charge is owing and overdue with respect to such Owner's Unit.

- 3.4 Board members shall not be paid for their services.
- 3.5 Board members shall be registered with and approved by RERA through the electronic system approved by the Land Department.
- 3.6 RERA may refuse to register or approve any Board member.
- 3.7 The Board shall be responsible for:
- (a) ensuring that the Owners Association carries out its functions under the JOP Law and this Constitution;
 - (b) setting, in conjunction with the Association Manager, the strategic direction of the Owners Association; and
 - (c) monitoring and directing the performance of the Association Manager.
- 3.8 The Board shall meet regularly or as frequently as is necessary and half of its members shall comprise a quorum for meetings.
- 3.9 The Board shall decide all matters by majority vote.
- 3.10 At least fourteen (14) days' notice in writing of a proposed Board meeting must be given by the Association Manager, or in his absence, by the chairman of the Board, to members of the Board. The notice must include a detailed agenda for the Board meeting. The notice may be shortened or dispensed with if all members of the Board agree in writing.
- 3.11 The Board shall at its first meeting after its election appoint a chairman. The chairman and the members of the Board shall communicate and liaise with the Association Manager.
- 3.12 The Board shall determine its own rules and procedures provided those rules and procedures are:
- (a) not inconsistent with this Constitution, the JOP Law or any directions issued by RERA;
 - (b) set out in writing in Arabic with official translation into English or other languages as required, and notified to Owners; and
 - (c) not to be cancelled by a Simple Resolution.
- 3.13 The Board may meet wholly or partly by electronic means.
- 3.14 Board members must observe the Code of Conduct for Board Members. If a Board member observes the Code of Conduct for Board Members, then he shall not be liable as a consequence of his actions or failures as a Board member.

4 GENERAL ASSEMBLY

- 4.1 The General Assembly shall consist of all Owners.

- 4.2 The following rules apply to the convening and holding of the first AGA:
- (a) the General Assembly must be held within three (3) months after the Constitution of the Owners Association is proclaimed;
 - (b) if at the time the General Assembly is held:
 - (i) fifty per cent (50%) or more of the Units are owned by persons other than the Developer, the Developer shall have its normal voting rights; or
 - (ii) less than fifty per cent (50%) of the Units are owned by persons other than the Developer, the Developer's voting rights shall be reduced to what they would be if the Developer only owned fifty per cent (50%) of the Units;
 - (c) the Developer shall be responsible for convening the General Assembly and ensuring that it is held; and
 - (d) if the Developer refuses or fails to convene the General Assembly, then it may be convened by any three (03) Owners acting collectively and the costs of convening and holding it shall be paid by the Owners Association and are recoverable from the Developer who refused or failed to act.
- 4.3 The first AGA shall be conducted in accordance with Clause 4.5, adapted as required.
- 4.4 Subject to Clause 4.2, AGAs shall be held annually between the period commencing three (03) months and terminating six (06) months after the date of the end of the financial year of the Owners Association.
- 4.5 At least twenty-one (21) days' notice in writing of a proposed AGA must be given by the Association Manager to all Owners and the notice must:
- (a) contain a detailed agenda, including:
 - (i) an item for confirmation of the minutes of the previous General Assembly;
 - (ii) an item for adoption of the annual report of the Board;
 - (iii) an item for adoption of the annual report of the Association Manager;
 - (iv) an item for acceptance of the annual financial statements;
 - (v) an item for the appointment of an auditor for the next financial year;
 - (vi) an item for adoption of the budget for the next financial year and approval of the Annual Service Charge proposed in that budget;
 - (vii) an item for the election of the Board;

- (viii) items required by the Board;
 - (ix) an item requested by an Owner (in writing) to be included on the agenda; and
 - (x) an item of any motions proposed to be passed by the General Assembly by way of a Special Resolution; and
- (b) be accompanied by the following:
- (i) a copy of the minutes to be confirmed;
 - (ii) a copy of the annual report of the Board;
 - (iii) a copy of the annual report of the Association Manager;
 - (iv) a copy of the annual financial statements;
 - (v) a copy of the proposed budget, including the proposed Service Charge, with a copy of a document explaining the service;
 - (vi) a copy of any other documents reasonably required for the General Assembly to consider the various agenda items; and
 - (vii) a proxy form.

4.6 EGAs may be convened by the Association Manager:

- (a) at the direction of the Board; or
- (b) upon receipt of a petition from Owners of not less than twenty five per cent (25%) of the Units.

4.7 At least twenty-one (21) days' notice in writing of a proposed EGA must be given by the Association Manager to all Owners and the notice must:

- (a) include a detailed agenda, including:
 - (i) an item for confirmation of the minutes of the previous EGA;
 - (ii) any item requested in the petition (if any) for the meeting;
 - (iii) items required by the Board;
 - (iv) an item requested by an Owner (in writing) to be included on the agenda; and
 - (v) the wording of any motions proposed to be passed by Special Resolution; and
- (b) be accompanied by the following:
 - (i) a copy of the minutes to be confirmed;

(ii) a copy of any other documents reasonably required for the General Assembly to consider the various agenda items; and

(iii) a proxy form.

4.8 A notice of a General Assembly may be accompanied by a voting paper in the form approved by RERA on which an Owner may cast a written vote on the motions appearing on that paper. If a voting paper accompanies a notice of a General Assembly, then that voting paper must contain all the motions to be considered at the General Assembly.

4.9 A notice of a General Assembly that is accompanied by a voting paper may also be accompanied by a link to a web site that accesses an electronic voting system approved by RERA and an Owner may cast a vote on the motions on that voting paper using the electronic voting system.

5 VOTING AT A GENERAL ASSEMBLY

5.1 Each Owner shall have one vote in respect of each Unit they own.

5.2 Where a Unit is owned by more than one person:

- (a) if a voting paper accompanied the notice of General Assembly, they may vote using the voting paper signed by all of them;
- (b) if both a voting paper and a link to a web based electronic voting system accompanied the notice of General Assembly, they may register to vote and then vote using the electronic voting system; or
- (c) they shall decide amongst themselves who shall exercise their vote and such vote must be exercised by proxy.

5.3 Where a Unit is owned by a company:

- (a) if a voting paper accompanied the notice of General Assembly, the company may vote by completing and signing the voting paper under its seal or stamp;
- (b) if both a voting paper and a link to a web based electronic voting system accompanied the notice of General Assembly, the company may register to vote, provided voting is made by the duly authorized person using the electronic voting system; or
- (c) the vote must be exercised by a proxy appointed by the company.

5.4 Where an Owner is deceased the vote may be exercised in the normal way by their legal representative, provided such legal representative has the required legal documents to prove their capacity as such.

5.5 A proxy must be in the form approved by RERA, properly completed and received by the Owners Association twenty four (24) hours before the scheduled time of commencement of the General Assembly.

- 5.6 A proxy expires one (01) year after the date on which it was given.
- 5.7 No one person may exercise multiple proxy votes where the number of Units represented by the proxies is greater in number than ten percent (10%) of the total number of Units in the Jointly Owned Property.
- 5.8 If Service Charges are owing and overdue with respect to a Unit, no vote may be cast in respect of that Unit at a General Assembly.
- 5.9 Voting on motions at a General Assembly, other than motions for a Special Resolution, shall be decided by simple majority of those present and entitled to vote and voting on a show of hands. However, any Owner (including a proxy) may, before or after a vote is taken, request a poll, in which event the motion shall be decided by simple majority of the value of all the votes cast on the motion. The value of a vote is equivalent to the Entitlement of the Unit.
- 5.10 For a motion for a Special Resolution at a General Assembly to be approved, it must be passed by Owners holding together two-thirds of all Entitlements in the Jointly Owned Property.
- 5.11 If an Owner has voted on a motion using:
- (a) a voting paper in the approved form, completed and submitted in accordance with the instructions on that form; or
 - (b) an electronic voting system in accordance with the instructions for use of that system, then that vote shall be counted, on both a show of hands or a poll, as if it had been cast in person at the meeting.
- 5.12 Except for the request to pass a Special Resolution, a quorum for deciding a motion at a General Assembly shall be made up by Owners present personally by voting paper, by electronic vote or by proxy whose Entitlements together comprise fifteen (15%) of the total number of Entitlements in the Declaration. If a quorum for a motion is not present within half an hour of the scheduled commencement time of the General Assembly, then the relevant motion or the General Assembly, as the case may be, shall stand adjourned until the same time and place seven (7) days later. Those persons present personally by voting paper, by electronic vote or by proxy at the adjourned General Assembly shall constitute a quorum for that motion or General Assembly and no further notice of the adjournment need be given.
- 5.13 RERA may approve other ways in which a General Assembly may meet.

- 6.3 The Association Manager shall be liable to, and shall indemnify, the Owners Association for damages resulting from the Association Manager's errors or negligence.
- 6.4 The Association Manager shall be appointed pursuant to a Simple Resolution and shall be delegated the necessary authority by written instrument or contract.
- 6.5 The appointment of, and delegation to, an Association Manager may only be terminated or varied by a Simple Resolution.
- 6.6 The Association Manager must not be appointed for more than a three (3) year term, but may be reappointed at the end of that term or any renewed term.
- 6.7 The Association Manager must observe the Code of Conduct for Association Managers.
- 6.8 The Association Manager may not delegate its powers and responsibilities to another party.

7 SUPPLY AGREEMENTS

- 7.1 The Owners Association must enter into a Supply Agreement with supply companies and entities which are licensed in the Emirate of Dubai.
- 7.2 A Supply Agreement must be in writing and authorized by a Simple Resolution.
- 7.3 A Supply Agreement must not have a term exceeding three (3) years.
- 7.4 Supply Agreements must be made in the name of the Owners Association, and shall be executed by the Association Manager.

8 FINANCES

- 8.1 As soon as practical after the Constitution is proclaimed, the Owners Association must establish:
- (a) the General Fund; and
 - (b) the Reserve Fund.
- 8.2 Income into the General Fund shall comprise:
- (a) the Service Charge imposed on Owners for that fund;
 - (b) the Utility Charge imposed on Owners for Utility Services consumed outside their Units;

- (c) penalties for non-payment of the Service Charge or Utility Charge;
- (d) investment income related to that fund, including without limitation proceeds from utilization of Common Areas for commercial advertising or leasing;
- (e) donations to that fund;
- (f) proceeds of insurance claims; and
- (g) any other income that is not properly payable into the Reserve Fund.

8.3 Income into the Reserve Fund shall comprise:

- (a) the Service Charge levied on Owners for that fund;
- (b) penalties for non-payment of the Service Charge;
- (c) investment income related to that fund; and
- (d) donations to that fund.

8.4 Expenditure from the General Fund shall comprise:

- (a) costs of maintaining the Common Areas and Assets;
- (b) the Utility Charge (including the Utility Charge that is to be passed on to Owners);
- (c) charges payable to the Master Developer, the Developer or a Sub-Developer;
- (d) insurance premiums;
- (e) costs (including capital costs) of reinstating the Common Areas following receipt of the proceeds of an insurance claim;
- (f) costs (including capital costs) of repairing or replacing an Asset following receipt of the proceeds of an insurance claim; and
- (g) other expenditure of a recurrent nature.

8.5 Expenditure from the Reserve Fund shall comprise expenditure of a capital or non-recurrent nature and other expenditure that should reasonably be met from capital.

8.6 Moneys in the Reserve Fund must not be used to pay for expenses that are intended to be met from the General Fund and moneys in the General Fund must not be used to pay for expenses that are intended to be met from the Reserve Fund.

8.7 Moneys in the General Fund and the Reserve Fund must be kept in a bank account in the name of the Owners Association with a bank or other financial institution approved by RERA, which shall decide the conditions and requirements for the operation of the account.

- 8.8 The General Fund and the Reserve Fund must be accounted for and reported on separately, although the moneys to the credit of each fund may be kept in the same bank account.
- 8.9 The first financial year of the Owners Association shall be the year commencing on the date of its establishment and ending on 31st December of the same year. Subsequent financial years shall commence on the first of January and expire on 31 December of the same year. RERA may approve another date on which the financial year for the Owners Association commences.
- 8.10 Each Owner shall pay their contribution to the Service Charge. Such contribution shall be determined pro rata to the Owner's share of the Common Areas.
- 8.11 The Association Manager must prepare and the Board must approve a budget for each financial year and submit that budget, including full details of the proposed Annual Service Charge, for the approval of the AGA. The budget for the General Fund must be for a one (1) year period, while the budget for the Reserve Fund must be based on a study of the costs of renewing and replacing the Common Areas and Assets over a minimum ten (10) year period. Such study must be carried out in accordance with any directions of the Land Department.
- 8.12 The Annual Service Charge is payable every three (3) months, unless the Owner of the Unit decides to pay the Service Charge annually.
- 8.13 Once the budgets and Annual Service Charge have been approved by the AGA (with or without amendment), the Association Manager must raise the Annual Service Charge by serving written notice in the name of the Owners Association on each Owner showing:
- (a) the name of the Owner;
 - (b) the Unit to which the charge relates;
 - (c) details of the total Annual Service Charge approved by the Owners Association;
 - (d) the proportion of the total Annual Service Charge payable by the Owner in respect of each of the General Fund and the Reserve Fund;
 - (e) if the Annual Service Charge is payable by instalments, particulars of each instalment;
 - (f) the amount of any arrears, including penalties applied in respect of those arrears;
 - (g) the date by which the Annual Service Charge, or instalments, are payable; and
 - (h) the amount of any discount that will be allowed if the Annual Service Charge, or instalments, are paid by the due date.
- 8.14 The Utility Charge, including without limitation (water, air conditioning, gas, electricity, telecommunications and sewerage) shall be determined as follows:

- (a) if the Utility Charge relates solely to Common Areas, it must be budgeted for payment from the General Fund and paid from that fund;
 - (b) if the Utility Charge relates solely to Units, it must be recharged against the Owners of the Units to which it relates in the proportions calculated in accordance with the directions of the Land Department;
 - (c) RERA may require the Owners Association to install separate meters for all Units and Common Areas for all Utility Service providers;
 - (d) RERA may require the Utility Service providers to separate the utility fees of the Common Areas from the fees for the Owners. The Utility Service providers shall be required to submit separate invoices directly to the Owners and to the Owners Association for the Jointly Owned Property; and
 - (e) if the Utility Charge relates partly to Common Areas and partly to Units:
 - (i) the Owners Association must, acting reasonably, determine the amount that should be apportioned against usage occasioned by the Common Areas ("**Common Area Proportion**");
 - (ii) the Common Area Proportion must be budgeted for payment from the General Fund and paid from that fund; and
 - (iii) the balance of the Utility Charge, after deduction of the Common Area Proportion, must be charged to the Owners to which it relates in the proportions calculated in accordance with the directions of the Land Department.
- 8.15 If an invoice for a Utility Charge payable by an Owner is included on the written notice raising the Annual Service Charge, or an instalment of an Annual Service Charge, then the amount of the Utility Charge must be shown separately on the notice.
- 8.16 If an Owner fails to pay a Service Charge or a Utility Charge when it becomes due and payable, then the Owners Association may give such Owner a notice of no more than one (01) month to pay, and may impose a penalty for non-payment calculated on a daily basis at the rate of twelve per cent (12%) per annum compounded monthly.
- 8.17 The Owners Association may also claim from an Owner any costs incurred by it to recover outstanding Service Charge or Utility Charge.
- 8.18 The Board may, if circumstances require during the period between two (2) AGAs, impose a Special Service Charge on Owners to cover any expenditure not included in the budget and not reasonably anticipated at the time the budget was approved. Such Special Service Charge must not exceed fifteen per cent (15%) of the Annual Service Charge last collected. The Special Service Charge shall be collected in the same way an Annual Service Charge is collected.
- 8.19 If any moneys are owing by an Owner to the Owners Association in relation to the Service Charge at the time an Owner disposes of their Unit, whether by sale or other disposals transferring or restricting ownership, such Owner shall be liable for those moneys up to the date of such disposal,

and the new Owner shall be liable for the Service Charge as of the date on which such disposal is registered in their name with the Land Department, unless the parties agree otherwise.

8.20 An Owner cannot avoid liability for payment of a validly made Service Charge or any item covered by a validly made Service Charge for any reason including without limitation:

- (a) the non-use of the Common Areas;
- (b) the non-use of their Unit; or
- (c) any failure or delay on the part of the Owners Association to repair or maintain the Common Areas.

9 INSURANCES

9.1 The Owners Association must insure in its own name:

- (a) the Common Areas, under a comprehensive insurance policy, against damage or destruction by explosion, fire, lightning, storm, tempest and water for:
 - (i) its full replacement value (as ascertained at least once every three (3) years by a professional valuer); and
 - (ii) the costs incidental to its replacement or reinstatement, including the cost of removal of debris and professional fees on re-building,so that the Common Areas are reinstated to the condition it was in when new;
- (b) its Assets that are capable of being insured;
- (c) against liability for damage to property or bodily injury to any person however arising in relation to the Common Areas;
- (d) against any risk specified in a direction of the Land Department; and
- (e) against any other risk that it considers should be covered by insurance.

9.2 The cost of insurances shall be apportioned among the Owners by means of the Annual Service Charge.

9.3 If the way in which a Unit is being used by an Owner or Occupier has the effect of increasing the premium payable by the Owners Association, then the Owners Association may recover as a debt the amount of increased premium from the Owner concerned.

9.4 An Owner shall be entitled to the benefit of any insurance cover on the Common Areas in respect of any part of their Unit included in that cover, less any excess payable under the policy, and the Owners Association must do everything necessary to deliver that benefit.

9.5 The proceeds of any insurance claim, whether made for the benefit of the Owners Association or an Owner, must be applied towards the reinstatement of the damage that resulted in the claim.

9.6 An Owner or Occupier shall be responsible for insuring their own property or interests to the extent that they are not covered by any insurance affected by the Owners Association.

10 RECORDS

10.1 The Owners Association must keep the following records:

- (a) a minute book for meetings of the Board;
- (b) a minute book for the General Assembly;

10.2 The Owners Association's records may be kept in paper or electronic form in any way specified by the Land Department.

- 10.3 The Owners Association's records, whether in paper or electronic form, are the property of the Owners Association and must be surrendered to it by the Association Manager or other officer upon request.
- 10.4 Minutes, registers and copies of registered documents must be kept indefinitely. All other records must be kept for at least seven (07) years.
- 10.5 Upon sale of a Unit, the Owner selling must give written note of any change of ownership, countersigned by the purchaser or the purchaser's agent, to the Owners Association stating the:
- (a) Unit number and address;
 - (b) name of the Owner selling;
 - (c) new contact address for the Owner selling;
 - (d) name of the purchaser;
 - (e) registered address of the purchaser;
 - (f) mobile telephone contact number for the purchaser; and
 - (g) registered facsimile number or registered e-mail address of the purchaser.
- 10.6 Upon lease, sub-lease, or grant of further usufruct rights, in relation to a Unit, the Owner must give written notice of the dealing to the Owners Association, countersigned by the other party to the dealing or their agent, stating the:
- (a) Unit number and address;
 - (b) name of the Owner;
 - (c) nature of the dealing;
 - (d) new registered address of the Owner (if it changes);
 - (e) name of the other party to the dealing;
 - (f) registered address of the other party to the dealing;
 - (g) mobile telephone contact number of the other party to the dealing;
 - (h) registered facsimile number or registered e-mail address of the other party to the dealing; and
 - (i) details (including registered facsimile number or registered e-mail address) of any registered broker who will be managing the Unit for the Owner.
- 10.7 An Owner may, upon payment of the specified fee, apply to the Owners Association to inspect its records. Non-Owners may also inspect the records of the Owners Association after obtaining a prior written consent from RERA.

11 BUILDING RULES

- 11.1 The Building Rules must be observed by all Owners and Occupiers.
- 11.2 The Building Rules may be amended, supplemented or varied by Simple Resolution, provided such change is registered in the Register. Any change to the Building Rules must not be in conflict with the JOP Law, any other law, this Constitution or any direction of RERA.

12 DISPUTES

- 12.1 The parties must first attempt to resolve any dispute amicably before taking action under this Clause 12.
- 12.2 Any dispute arising out of this Constitution or any dispute between, on the one hand, any Owner or Occupier and, on the other, the Owners Association shall be referred to RERA, and the parties shall consult and negotiate with each other in good faith under the supervision of RERA to try and reach an amicable resolution to the dispute. Any directions or guidance given by RERA in respect of the dispute shall be binding on the parties. If the parties do not reach an amicable resolution to such dispute and/or RERA does not issue a direction on the dispute within a period of thirty (30) days of the dispute being referred to RERA (unless such period is mutually extended by the parties in writing), then the dispute shall be referred to and finally resolved by the Dubai Courts or by any such other dispute resolution forum or procedure recognised, from time to time, by RERA, the JOP Law and/or any applicable laws.
- 12.3 At no time, including any period during which there is a dispute between the parties, shall an Owner or Occupier stop payment of all or part of the Service Charges.

13 GENERAL RULES

- 13.1 The rules applying to the Owners Association are those contained in this Constitution as may be amended, supplemented or varied in accordance with this Constitution and the JOP Law.
- 13.2 The Owners Association shall have a stamp which it must use to validate all formal written documents. The stamp must be kept securely by the Association Manager and may only be applied in regards to documents that have received the prior approval of the Board or the General Assembly (as the case may be).
- 13.3 The Land Department may specify the means by which the Owners Association may validate electronic documents and communications.
- 13.4 Any notice required by this Constitution to be given by the Owners Association or any other person may be given in paper or electronic form to the relevant registered address, registered facsimile number or registered e-mail address. If given in paper form it must be posted by pre-paid mail or delivered to a registered address. If given by facsimile it is deemed to have been given upon production of a successful transmission report. If given by e-mail it is deemed to have been given twenty four (24) hours after the time recorded as the sent time, unless notification of non-delivery was received within those twenty four (24) hours.

- 13.5 Records must be kept by the Owners Association of when notices were given, as well as facsimile transmission reports and e-mail non-delivery notifications.
- 13.6 A notice can be served on the Owners Association in paper or electronic form. If given in paper form it must be posted by pre-paid mail or delivered to its official address as recorded in the Register. If given by facsimile it must be sent to its official facsimile number as recorded in the Register and is deemed to have been given upon production of a successful transmission report. If given by e-mail it must be sent to its official e-mail address as recorded in the Register and is deemed to have been given twenty four (24) hours after the time recorded as the sent time, unless notification of non-delivery was received within those twenty four (24) hours.
- 13.7 The onus is on the person giving the notice to the Owners Association to prove that it was received.
- 13.8 If the Owners Association is a member of another Owners Association in relation to Jointly Owned Property ("**Higher Association**"), then the Board may appoint a person to represent the Owners Association in relation to the Higher Association and that person shall have the right to vote at a General Assembly of the Higher Association personally, by proxy, by voting paper or electronically. The Owners Association may replace that person from time to time but it must notify the Higher Association of any change.
- 13.9 Owners shall have all the rights of a property owner, including the right to sell, transfer or grant their Units to third parties, subject always to, among other things, being in compliance with the Sale and Purchase Agreement and obtaining any necessary service charge clearance certificates or no objection certificates from the Owners Association.
- 13.10 The Owners Association shall have a lien on every Unit for any unpaid Service Charge, services fees and/or Utility Charge, or any other amounts payable to the Owners Association, and any other obligations levied against the Owner in accordance with the JOP Law or the Constitution. This right survives any transfer of the ownership of the Unit to a new Owner.
- 13.11 RERA may approve forms for use by the Owners Association and give directions regarding the interpretation or application of any provision of this Constitution.

Schedule 1
Code of Conduct for Board Members

- 1 Board members must be committed to understanding the role of the Owners Association and the rules by which it operates.
- 2 Board members must act honestly and fairly in performing their duties and must not unfairly or unreasonably disclose information held by the Owners Association, including information about an Owner or Occupier, unless authorized or required by law to do so.

 - (b) exercise reasonable skill, care and diligence in performing their functions.
- 3 An Association Manager must not disclose any confidential information (such as Owners' details, Units' details, matters regarding the Owners Association) or unfairly or unreasonably disclose information held by the Owners Association to a third party, without the consent and written approval from the Owners Association, with exception of any requirement of applicable law.
- 4 Unless it is unlawful to do so, an Association Manager must at all times act in the best interests of the Owners Association and, without limitation, must not favour the interests of a developer or contractor over the interests of the Owners Association.
- 5 An Association Manager must not engage in:
 - (a) fraudulent or misleading conduct; or
 - (b) unconscionable conduct,when performing their functions.
- 6 An Association Manager must not do anything that would have the effect of placing their interests in conflict with the interests of the Owners Association.
- 7 An Association Manager must disclose all relationships in writing to the Owners Association regarding any actual, potential or perceived conflict of interest between the Association Manager and any supplier of goods or services to the Owners Association. The Association Manager shall take all necessary steps to avoid any favouritism or impropriety during the selection process and negotiation of any Supply Agreements.
- 8 An Association Manager must take reasonable steps to ensure that goods and services procured by an Owners Association are procured at the most competitive prices reasonably obtainable.
- 9 An Association Manager must take reasonable steps to ensure that his employees observe this Code of Conduct.

APPENDIX B
Master Community Declaration

1. PRELIMINARY

1.1 PREAMBLE

Whereas the Master Developer is developing the land shown on the Master Plan into a real estate Master Community for residential, commercial, entertainment and leisure purposes (as the case may be) and such Master Community is subject to a Title Ownership and Management Scheme formulated, prepared and amended as appropriate by the Master Developer in its sole discretion, briefly described as follows:

- 1.1.1 The Master Community comprises (as the case may be) (1) Single Ownership Plots; (2) Jointly Owned Property; and (3) Common Use Facilities.
- 1.1.2 Jointly Owned Property each comprise (1) individual Units; and (2) their own Common Areas occupying a Jointly Owned Property Plot.
- 1.1.3 Single Ownership Plots each comprise a Plot that is registered as single title and not divided into Units or any other fractional ownership.
- 1.1.4 The Common Use Facilities of the Master Community are owned by the Master Developer as at the date of this Declaration which is subject to the Master Developer's rights set out in clause 6.3.

By this Declaration the Master Developer imposes upon itself, any Infrastructure Service Provider, all Owners, and Owners Associations, a mutually beneficial scheme for the development, management, administration, maintenance and control of the Master Community developed by it.

1.2 GENERAL PURPOSE OF THIS DECLARATION

The Master Developer is committed to ensuring that appropriate mechanisms are put into place to implement high standards of maintenance for the overall use, enjoyment and preservation of the Master Community for the benefit of all current and future Owners. Therefore, as owner of the Common Use Facilities, the Master Developer and/or any Infrastructure Service Provider (to the extent that any such rights or obligations are assigned to it) agrees to undertake the following obligations for the overall benefit, orderly development, management and preservation of the Master Community and its constituent parts:

- 1.2.1 To provide for the proper and mutually beneficial management, administration and control of all aspects of common interest to each Owner, including Common Use Facilities.
- 1.2.2 To establish a fund for the Expenses of the Common Use Facilities and for the proper performance of the Master Developer's responsibilities under this Declaration, including a provision for future expenses.
- 1.2.3 To determine and collect Service Charges for the purposes of the fund from Owners.
- 1.2.4 To enforce or assist other Owners to enforce, Owners' obligations in terms of this Declaration, the Rules and the Development Control Regulations.
- 1.2.5 To maintain and insure all Common Use Facilities according to the standards envisaged by the Master Developer, and where necessary, to repair and replace such Common Use Facilities.
- 1.2.6 In general:
 - (a) to ensure the maintenance and promotion of harmony in the physical, social and marine environment of the Master Community;
 - (b) to promote and encourage Owners to maintain at all times the external appearances of their properties in a clean and tidy condition and to maintain high standards in this regard so as to ensure that the appearance of their properties are both aesthetically pleasing and desirable when viewed from the outside and further to take steps to enforce the maintenance of such standards where deemed necessary in the opinion of the Master Developer;
 - (c) to protect and promote the interests of the Owners, as far as the Master Community is concerned; and
 - (d) to establish and promote retail areas and a central business district within the Master Community, where applicable.

- 1.2.7 Where required, to administer the issuance of NOCs.
- 1.2.8 To administer the use of the Common Use Facilities, and where appropriate, levy and collect administrative charges for doing so.
- 1.2.9 To create suitable Rules for the management of the Master Community, including such rules and regulations of conduct as the Master Developer may deem necessary.
- 1.2.10 To create suitable Rules and Development Control Regulations for the control, management and use of the Master Community, including such zoning, development, construction and rules of conduct as the Master Developer may deem necessary.

And the Master Developer and/or any Infrastructure Service Provider (to the extent that any such rights or obligations are assigned to it) shall have the power to perform such acts as are necessary and reasonably required to accomplish the fulfillment of the above obligations including, but not restricted to, powers specifically contained in this Declaration.

1.3 BINDING INTENT

This Declaration shall be binding upon the Master Developer, any applicable Infrastructure Service Provider and all Owners and shall inure for the benefit of such parties from time to time. Every Plot or Unit is sold, owned, occupied and used subject to the terms of this Declaration and this Declaration shall be registered as a restriction against the title of all Plots and Units maintained by the Land Department and shall override any previous declaration issued by the Master Developer or Owners Association rules, declaration and/or constitution. If this is not possible, then every Owner of a Plot or Unit agrees, declares and undertakes for the benefit of the Master Developer, any applicable Infrastructure Service Provider and all other Owners that this Declaration is binding on each Plot and Unit and shall pass with each Plot and Unit and bind successors in title of every Owner.

 - (d) master planning.
- 2.2.7 unless the responsibility of a Relevant Authority and subject to the Applicable Laws, erect, display and control public space advertising and all signage generally within the Common Use Facilities.
- 2.2.8 unless the responsibility of a Relevant Authority and subject to the Applicable Laws, administer the consents required for public space advertising on or within buildings on Plots.
- 2.2.9 if the Master Developer or any applicable Infrastructure Service Provider determines that NOCs are required under Clause 4.3, administer the issuance of NOCs.
- 2.2.10 use the Common Use Facilities for commercial purposes and grant the use of the Common Use Facilities to third parties from time to time for recreational, commercial or other ad hoc purposes under the provisions of Clause 4.1.3.
- 2.2.11 open and maintain such accounts as are deemed by the Master Developer or any applicable Infrastructure Service Provider as being reasonably required to manage the Common Use Facilities and Master Community with recognised banks and deduct such monies from them as required in accordance with the Master Developer's or any applicable Infrastructure Service Provider's obligations under this Declaration.

2.3 REGULATORY BODY AND APPLICABLE LAWS

- 2.3.1 The Master Developer shall exercise full authority and control over all of the Master Community and pursuant to this authority the Master Developer may transfer such authority and control (or part thereof) to an Infrastructure Service Provider or any Regulatory Body established pursuant to Applicable Laws.
- 2.3.2 If a Regulatory Body has been established and Applicable Laws require authority and control of the Master Community to be transferred to the Regulatory Body then to the extent permissible pursuant to Applicable Laws such authority and control shall be transferred without prejudice to any rights of an Infrastructure Service Provider, and the Master Developer will immediately cease after transfer to such Regulatory Body to be responsible for any management, administration, maintenance or control of the Master Community and be released from any and all claims, losses, costs, damages or liability whatsoever, however and to whomsoever incurred or sustained arising from or in relation to the Master Developer's management, administration, maintenance or control of the Master Community.
- 2.3.3 In the event any provision in this Declaration is inconsistent with or in conflict with any Applicable Laws, the provisions of the Applicable Laws shall prevail.

2.4 MANAGING AGENT

The Master Developer or any applicable Infrastructure Service Provider shall have the power and be authorised from time to time to appoint a Managing Agent to control, manage, maintain and administer the Master Community and Common Use Facilities and exercise such or all of the powers, rights and duties entrusted to the Master Developer or the applicable Infrastructure Service Provider under this Declaration.

3. BUDGET AND SERVICE CHARGES

3.1 THE BUDGET, EXPENSES AND DETERMINATION OF SERVICE CHARGES

- 3.1.1 The Master Developer or any Infrastructure Service Provider (assigned the right to determine the Budget, incur Expenses or determine Service Charges) shall, at least two (2) months prior to the end of each Financial Year, prepare the Budget of estimated Expenses for the following Financial Year in respect of the Common Use Facilities and otherwise in performing its obligations under this Declaration, together with all administrative and other expenses relating to the Common Use Facilities for which the Master Developer or the applicable Infrastructure Service Provider is responsible, and any amount proposed to be held in reserve in respect of future maintenance, repairs or capital expenditure (the "**Reserve Fund**").
- 3.1.2 Expenses shall include but not be limited to:
- the costs of labour, material, equipment, supplies, third party hire, security, insurance (including premium and deductible amounts), Utilities for the Common Use Facilities, statutory rates, taxes and charges and professional fees, including those charged or incurred by the Managing Agent;

Discount Allowed @ 20%	200,000
Net collections upon timely or Alternative Payment of Service Charges by Owners	800,000

3.1.3 In compiling the Budget:

- (a) Expenses relating to the entire Master Community, for which the Master Developer or any applicable Infrastructure Service Provider is responsible, shall be taken into account;
- (b) the Master Developer shall be responsible for such Expenses as apportioned to it in terms of the agreement referred to in Clause 6.1;
- (c) the balance of the Expenses shall be allocated to Owners according to the Master Developer's or any applicable Infrastructure Service Provider's assessment referred to in Clause 3.1.5;
- (d) the costs associated with any property dedicated to and accepted by the Relevant Authority or public utility company shall be excluded from the Budget calculation;
- (e) liability for payment of the above Service Charges to the Master Developer or any applicable Infrastructure Service Provider shall vest in the individual respective Owners.; and
- (f) each Owners Association shall apportion its own expenses to its own members according to the provisions of its constitution, declaration, or rules prescribed by Applicable Laws.

3.1.4 The Master Developer or any applicable Infrastructure Service Provider shall reserve the right to prepare separate Budgets for the residential, commercial, retail and/or leisure areas of the Master Community, together with a general Budget for the overall Master Community, in order to properly reflect the different levels of costs that are reasonably required for the proper maintenance, management and administration of each type of use. Additionally, the Master Developer or any applicable Infrastructure Service Provider may prepare separate Budgets for any precincts or neighbourhoods identified by it as requiring separate financial treatment.

3.1.5 Immediately prior to the commencement of each Financial Year the Master Developer or any applicable Infrastructure Service Provider will send a copy of the Budget to each Owner showing the estimated Expenses for the following Financial Year and the Provisional Service Charges payable by the Owner. The Provisional Service Charges shall become due and payable by an Owner to the Master Developer or any applicable Infrastructure Service Provider (in both cases as it determines in its discretion) annually, bi-annually, quarterly or monthly in advance upon the latter of either the date of service of the Budget or the date or dates specified in the Service Charge invoices or like notices upon an Owner.

3.1.6 As soon as possible after each Financial Year, the Master Developer or any applicable Infrastructure Service Provider shall prepare and provide to the Owner a statement (the "Statement") showing the

actual Expenses for the Financial Year referred to in the Statement duly certified by the Master Developer or any applicable Infrastructure Service Provider or its respective agents and audited by an independent firm of auditors or any Relevant Authority or Regulatory Body, and such Statement will be conclusive evidence of all matters of fact referred to in it.

- 3.1.7 In the event that an Owner's share of the Expenses as shown in the Statement for any Financial Year:
- (a) exceeds the amount paid as a Provisional Service Charge for that period, the Owner shall pay the excess to the Master Developer or any applicable Infrastructure Service Provider on demand; or
 - (b) is less than the amount paid as a Provisional Service Charge for that period, the Master Developer or any applicable Infrastructure Service Provider shall credit the excess to the Owner against the Service Charges payable by the Owner for the following Financial Year.
- 3.1.8 If the Master Developer or any applicable Infrastructure Service Provider fails for whatever reason to include in any Financial Year a sum expended or liability incurred during that year, the Master Developer or any applicable Infrastructure Service Provider may include the sum or the amount of the liability in an account for any subsequent Financial Year.
- 3.1.9 In case of contingency, the Master Developer or any applicable Infrastructure Service Provider may from time to time, when necessary, levy a special charge upon the Owners in respect of any unforeseen expenses which have not been included in the Budget (the "Special Levy") and such Special Levy may be made payable in one sum or in such instalments as the Master Developer may determine in its own discretion.
- 3.1.10 Notwithstanding the forgoing part of this Clause 3.1, the Master Developer or any applicable Infrastructure Service Provider at its discretion may make special arrangements for the Service Charges assessed in respect to certain Plots or groups of Plots of a similar nature within the Master Community.

3.2 COLLECTION OF SERVICE CHARGES

- 3.2.1 Each Owner, by taking transfer of title, is deemed to covenant and agree to pay the Service Charges in accordance with this Declaration.
- 3.2.2 No Owner shall enjoy the privileges of usage of the Common Use Facilities unless he shall have paid all Service Charges or other sum (if any) which may be due and payable to the Master Developer or any applicable Infrastructure Service Provider in terms of this Declaration.
- 3.2.3 Upon taking transfer of a Plot from the Master Developer, an Owner becomes liable for payment of Service Charges in respect of the unpaid portion of Service Charges for that Financial Year. In respect of a subsequent transfer of a Plot, an Owner becomes liable for payment of all Service Charges due in respect of such Plot, including arrears.
- 3.2.4 If an Owner fails to pay his Service Charges in full to the Master Developer or any applicable Infrastructure Service Provider on the due date, the Master Developer or any applicable Infrastructure Service Provider may place a charge or lien on the Owner's title and enforce payment of the Service Charge as a secured debt or otherwise institute an action for the recovery of the debt in any competent court or refuse to grant any NOC it is authorised to grant under this Declaration. Owners agree that an invoice issued by the Master Developer or any applicable Infrastructure Service Provider in the name of an Owner is conclusive proof of the debt owing and that the Owner shall have no right of set-off or counterclaim in respect of any such debt.
- 3.2.5 Where any Single Ownership Plot is owned in the joint names of more than one person, all the registered Owners of that Single Ownership Plot shall be jointly and severally liable for the due performance of any obligation to the Master Developer or any applicable Infrastructure Service Provider.
- 3.2.6 An Owner shall be liable for all legal costs, including lawyers' fees, collection commission, expenses, own fees and other charges incurred by the Master Developer and any applicable Infrastructure Service Provider in obtaining the recovery of Service Charge arrears or any other arrear amounts due to it, or enforcing compliance with this Declaration or any Schedule attached to it.
- 3.2.7 The Master Developer or any applicable Infrastructure Service Provider shall be entitled to charge for late payment on any amounts in arrears. Any such charge for late payment shall be calculated at the Default Rate and are recoverable from the date on which the amount is due and payable to the date of payment.

3.3 SECURITY DEPOSIT

3.4 OTHER REVENUE

4. OWNERS' RIGHTS AND OBLIGATIONS

4.1 GENERAL

4.1.3 The Master Developer or any applicable Infrastructure Service Provider in using the Common Use Facilities for commercial purposes or granting the use of the Common Use Facilities to third parties from time to time for recreational, commercial or other ad hoc purposes, may collect revenue derived from its own use or from such grant and may at its discretion apply all or some of the net revenue towards the costs incurred by the Master Developer or any applicable Infrastructure Service Provider in undertaking its obligations under this Declaration or may retain such revenue for its own benefit.

4.2 EASEMENTS

12

- (a) full right and liberty for Owners at all times by day or by night to go, pass and repass over and along the roads, pathways and waterways (if any) of the Master Community and to use the gardens and other open areas of the Master Community for their intended purpose;
- (b) free and uninterrupted passage and running of water, soil, electricity and other power and media transmissions serving a Unit or Single Ownership Plot of an Owner which now are or may at any time in the future be on, over or under the Master Community; and
- (c) where applicable, if the entrances, driveways, parking areas, channels, marina slips, private access ways and/or berths to a Unit or any property are shared, reciprocal appurtenant easements of right of way shall be created for the benefit of the Owner and all Owners of the properties to which such entrance, driveways, laneways, service roads, parking areas, channels, marina slips, private access ways and/or berths are appurtenant. The Owner, and the Owners of the properties to which such easements are appurtenant (and all persons authorised by them) shall have the right at all times by day or by night to go, pass and repass on, over, through and along such entrances, driveways, laneways, service roads, parking areas, channels, marina slips, private access ways and/or berths for the purposes of ordinary access, ingress, egress and parking or berthing. This easement is subject to such reasonable security arrangements and regulations as may be imposed by the Owner responsible for such entrance, driveway, laneway, service road, parking area, channels, marina slips, private access ways and/or berths from time to time.

4.2.2 The Master Developer or any applicable Infrastructure Service Provider (assigned such rights by the Master Developer) shall have the following easements in relation to every Plot or Unit:

- (a) full rights of access to the Plot or Unit at any time as necessary for the purpose of constructing, removing, altering, maintaining and repairing the Common Use Facilities or Utilities supplying them, including but not limited to, works to address any matter which poses a risk to the well-being of Owners, or the environment of the Master Community;
- (b) free and uninterrupted passage for all Utilities to be conveyed across a Plot or Unit in order to supply and operate the Common Use Facilities or as otherwise deemed necessary by the Master Developer or any applicable Infrastructure Service Provider;
- (c) full rights (but not the obligation) of access to the Plot or Unit at any time as necessary for the purpose of constructing, removing, altering, painting, maintaining and repairing any fencing, boundary, retaining or other dividing walls or structures (including their respective foundations or supports) that are adjacent to either a Plot owned or leased by the Master Developer or the Common Use Facilities; and
- (d) right of unimpeded access to provide emergency services.

4.2.3 Where applicable, if any of the podiums and parking areas, including channels, marina slips, private access ways and/or berths in the Master Community flow into each other, the Owners agree that there shall be reciprocal appurtenant easements of encroachment and for maintenance and use of any encroachment between the Plots and appurtenant properties so affected. No compensation for the right of use shall be promised or received.

4.2.4 If applicable, each Owner shall have the obligation and responsibility to maintain the podium and any entrance, driveway and parking areas including channels, marina slips, private access ways and/or berths which it owns in good order and repair, in conformation with all covenants, conditions and restrictions affecting the Plots or Units and all governmental regulations, and in a manner which is consistent with the terms and provisions of this Declaration.

4.2.5 Where there are any service roads across multiple Plots, the Owners of each Plot which contains part of the service road each agrees to vest in the Master Developer the right for the Master Developer to maintain and control that service road for the mutual benefit of each such Owner and at the shared cost of each such Owner. The Master Developer shall in particular have the right to make and enforce rules and incur expenses on behalf of each such Owner in respect to:

- (a) repairing, maintaining and replacing where necessary any part of the service road including any sidewalk and the pavement;
- (b) street lighting;
- (c) cleaning and waste removal;
- (d) maintaining clear access along the service road and into the adjoining buildings; and
- (e) the parking of motor vehicles.

4.2.6 Any Plot or Unit shall be held, conveyed, leased, occupied, operated and used, subject to such easements or restrictions contained in this Declaration or as imposed by any Relevant Authority, each and all of which are for, and shall inure to, the benefit or burden of and shall pass with each and every part of the Plot or Unit and shall apply to and bind the legal heirs, successors in title and permitted successors or assigns of the Owner, and each of which shall constitute covenants running with the land between the respective Owners of appurtenant properties. Each of the easements or restrictions reserved or granted in this Declaration shall exist in perpetuity and shall be appurtenant to each of the properties having a boundary line adjacent to the easements or restrictions.

4.2.7 Although it is intended that Owners will have the right of access and enjoyment of the roads, pathways, waterways (if any) and facilities that comprise the Common Use Facilities, every Owner acknowledges that access to some areas (including but not limited to certain breakwater areas, waterways, beaches and other hazardous premises, if applicable) may not be safe or appropriate, or may be restricted for commercial, environmental protection, practical reasons or due to the nature of the design of the Master Plan. The Master Developer and any applicable Infrastructure Service Provider shall at all times have the right to:

- (a) restrict or prohibit access to certain areas within the Common Use Facilities;
- (b) provide rules from time to time at the Master Developers' or any applicable Infrastructure Service Provider's sole discretion for access and the use of the waterways (if any) (including swimming, fishing and the operation of vessels and marine craft in the waterways) and such other rules as are necessary to ensure safe and orderly passage through the Common Use Facilities (where applicable). Every Owner agrees to be bound by such rules and procure that all visitors, invitees, guests or Occupiers of the Owner are aware of and comply with them.

4.2.8 All Owners agree to provide such rights of access and passage as are reasonably required to the Master Developer, any applicable Infrastructure Service Provider or each other for the purpose of compliance with this clause 4 and shall be liable to compensate the Master Developer or any other party on an indemnity basis for all costs and losses, including consequential loss, that they may sustain as a result of denial of such rights.

4.3 ALIENATION

4.3.1 Every Owner shall, on being registered as the Owner of a Plot or Unit by way of Alienation or otherwise be bound by this Declaration as if they were a contracting party.

4.3.2 An Owner shall not be entitled to Alienate a Plot or Unit or any interest therein without first obtaining a NOC. Until compliance with these formalities, the relevant Owner will continue to be jointly and severally liable with the owner's successor for the due performance of this Declaration even though their ownership in any Plot or Unit has been transferred to another person.

4.3.3 In the event an Owner is a legal entity, any change in the legal or beneficial ownership of any shares in the legal entity or any issue of new capital, or the legal rights attaching to existing capital, or any other thing which has the effect of altering the effective management or control of such legal entity, then such change shall be deemed to be an Alienation of the Plot or Unit and the Owner, prior to such change, shall be required to deliver a notice, duly signed by all the directors of such entity, to the Master Developer or any applicable Infrastructure Service Provider informing it of the anticipated change of shareholding and to obtain a NOC in respect of it.

4.4 ALTERATIONS AND IMPROVEMENTS

4.4.1 An Owner shall not undertake the construction of any Improvements on a Plot or Unit or undertake any Alterations to such Improvements without the prior written consent of the Master Developer. The granting or withholding of consent shall be in the discretion of the Master Developer exercised in the best interests of the Master Community and neighbouring Owners. Notwithstanding any approval granted by the Master Developer, no Improvements or Alterations may be undertaken until any approval required from a Relevant Authority has been obtained by the Owner.

4.4.2 If an Owner fails to comply with the provisions of Clause 4.4.1 and such failure persists for a period of 30 (thirty) days after written notice given by the Master Developer, the Master Developer shall be entitled to remedy the failure in question in such manner as it deems fit and to recover the cost of so doing from the offending Owner.

4.4.3 For the avoidance of doubt if the Master Developer is satisfied that the alterations or improvements may cause a damage to health, safety or adversely effect the environment, the Master Developer is entitled to require immediate remedy without further notice.

4.5 USE OF PLOT

4.5.1 Owners shall not use any Plot for any purposes other than the use prescribed in the Development

Control Regulations and/or the Rules and Owners shall comply in all respects with the provisions of all Applicable Laws, the Development Control Regulations, the Rules and any Owners Association rules prescribed by the Master Developer (where applicable) now or from time to time in force in relation to the Plot or anything done on the Plot, as applicable, and any licences or consents regulating trade activities issued by a Relevant Authority or the Master Developer.

4.5.2 An Owner shall not change the use of the Owner's Plot or Unit without the prior written consent of the Master Developer. The granting or withholding of consent shall be in the discretion of the Master Developer exercised in the best interest of the Master Community and neighbouring Owners.

4.5.3 If at any time it is proposed to convert a Single Ownership Plot to a Jointly Owned Property, or vice versa or it is proposed to subdivide a Plot on a single ownership basis, the prior written consent of the Master Developer is required. The Master Developer's consent shall not be unreasonably withheld if the following conditions are met:

- (a) the plans and specifications for Improvements or Alterations required to undertake such conversion are acceptable to the Master Developer;
- (b) the Title Ownership and Management Scheme is applied. For example, any conversion from a Single Ownership Plot to a Jointly Owned Property shall entail title registration of each Unit therein, the formation of a Owners Association (as prescribed by any Applicable Laws), the adoption of any Owners Association rules prescribed by the Master Developer and where required or permitted under Applicable Laws
- (c) the conversion will not entail a reduction in aggregate Service Charges allocated to and payable by the Owner of the Plot or in the case of a subdivision on a single ownership basis (including Volumetric Subdivision) the Owners of each new Plot;

4.6 UTILITIES

4.6.1 Every Owner shall be responsible for connection to and paying for all Utilities required in connection with his Plot or Unit.

4.6.2 At the Master Developer's option, each Owner shall purchase Utilities servicing or to service any part of the Master Community from the Master Developer or a third party operator authorised by the Master Developer.

4.7. FENCING

4.7.1 Subject to clause 4.7.3, Owners that own Plots with a common boundary with an adjoining Plot shall be responsible for the maintenance and repair of any common boundary fences between such Plots (including any foundation, foundation walls or support reasonably necessary for the support and maintenance of the respective fence) to the same type and standard as the original boundary fence constructed between the Plots. The cost of any such repair and maintenance shall be contributed equally by the Owners of any such adjoining Plots unless any such repair arises as a result of damage by an Owner of one of the Plots, in which case the entire cost of repair shall be met by that Owner. All Owners agree to provide such rights of access as are reasonably required to each other for the purpose of compliance with this clause and shall be liable to compensate any other party on an indemnity basis for all costs and losses, including consequential loss, that they may sustain as a result of denial of such access or non-compliance with this clause generally.

4.7.2 Subject to clauses 4.7.1 and 4.7.3 where an Owner of a Plot with a common boundary with an adjoining Plot wants to compel an Owner of the adjoining Plot to assist in repairing a common boundary fence (including any foundation, foundation walls or support reasonably necessary for the support and maintenance of the respective fence) and such repairs are reasonably required, the Owner must provide one month's written notice to the adjoining Owner requiring assistance in this regard unless in the case of an emergency where no such notice will be required. Where the adjoining Owner does not provide its assistance the Owner may undertake the repairs and demand and recover from the adjoining Owner on whom the notice has been served one-half of the costs of repairing the fence.

4.7.3 Neither the Master Developer or any applicable Infrastructure Service Provider is liable for the cost of any maintenance or repair of any common boundary fences, boundary, retaining or other dividing walls or structures (including foundation, foundation walls or support reasonably necessary for the support and maintenance of the respective fence or walls) adjoining the Common Use Facilities or a Plot owned by the Master Developer or any applicable Infrastructure Service Provider. Where the Master Developer or any applicable Infrastructure Service Provider exercises its rights under clause 4.2.2(c), it shall be entitled to recover from the adjoining Owner full reimbursement for the costs it incurs in carrying out such maintenance.

4.8. SECURITY

Owners shall comply with all security procedures and directions implemented and issued from time to time by the Master Developer or any applicable Infrastructure Service Provider assigned the rights to implement such procedures or directions.

4.9. WATERWAYS (IF APPLICABLE)

- 4.9.1 The Master Developer or any applicable Infrastructure Service Provider (assigned the right to perform such duties) shall be entitled to rescue, recover or remove any abandoned, stranded, wrecked or sunk vessel or marine craft or any part thereof, within the Common Use Facilities and shall further be entitled to dispose of such vessel or marine craft or any part thereof and such contents therein in such manner and at such price as the Master Developer or any applicable Infrastructure Service Provider deems fit and the Master Developer or any applicable Infrastructure Service Provider shall deduct from the proceeds of such sale all expenses and costs incurred by the Master Developer or any applicable Infrastructure Service Provider (as applicable) in such salvage and costs incurred in respect of such sale or to recover any such costs or deficiency from the Owner responsible for such vessel or other marine craft.
- 4.9.2 The Owner responsible for such vessel or other marine craft shall indemnify and hold the Master Developer and any applicable Infrastructure Service Provider harmless against all claims, proceedings, costs, damages, expenses and losses in respect to any damage caused to any part of the Master Community by such vessel or marine craft and any claims arising from, or otherwise in connection with any action take by the Master Developer or any applicable Infrastructure Service Provider under Clause 4.9.1.
- 4.9.3 No vehicle, boat or trailer vessel shall be parked or berthed on any part of the Master Community except in the allocated car parks, marinas, berths or other designated areas for such purposes approved by the Master Developer or any applicable Infrastructure Service Provider.
- 4.9.4 No vessel or other marine craft shall be berthed on any shoreline or quayside of the Master Community except in the appropriate areas designated and approved by the Master Developer or any applicable Infrastructure Service Provider.

4.10 LICENSING

- 4.10.1 Prior to the commencement of any retail or commercial activities whatsoever upon any Plot or Unit the Owner shall obtain a trade license, or any other licenses or permits from the Master Developer and/or a Relevant Authority, as the case may be.
- 4.10.2 All Owners shall comply with the conditions of licenses or approvals issued by the Master Developer and/or a Relevant Authority as contemplated under Clause 4.10.1 for so long as they undertake any permitted retail or commercial activities.

4.11 INSURANCE

- 4.11.1 Subject to the provisions of this Declaration, upon taking possession of a Plot, each Owner, shall be responsible for arranging and maintaining all appropriate insurances for the Plot at its own cost, including cover in respect of Public/Third Party Liability and any other risks that a prudent party would insure against from time to time in relation to the Plot.
- 4.11.2 At all times, commencing at the time when first access to the Plot is allowed for inspection purposes each Owner will take out and maintain the following:
- a) Marine Hull and Associated Liabilities Insurance with a minimum liability limit of AED 20 million per occurrence (if applicable);
 - b) Comprehensive General Liabilities insurance with a minimum limit of AED 5 million per occurrence and unlimited in respect of death or bodily injury of third party persons; (if applicable)
- 4.11.3 In addition to the obligations in clause 4.11.1 and 4.11.2, each Owner shall also ensure that during the development or any subsequent periods of repair or restoration of a Plot all contractors, as and when so contracted, shall take out the following minimum insurance coverages:-
- a) Contractors All Risks insurances, (in the joint names of the contractors, Owner and Master Developer) including Public/Third Party Liability insurance with a minimum limit of indemnity of AED 10 million for any one occurrence;
 - b) Contractor's Plant and Machinery insurances (to be insured for new replacement value);
 - c) any other insurances which the Master Developer may require from time to time.

4.11.4 In addition to the obligations in clause 4.11.1, 4.11.2 and 4.11.3, each Owner shall ensure that following the completion of development and/or construction on any part of a Plot the following insurance policies are taken out by the person or entity with the relevant insurable interest:

- a) Property All Risks insurances for the full replacement cost of all buildings, fixtures, fittings, plant, machinery and contents on the relevant completed part of a Plot;
- b) Comprehensive General Liability insurances with a minimum limit of indemnity of AED 10 million for any one occurrence and where relevant person or entity distributes or markets foods, consumable or durable products, AED 10 million for any one occurrence and AED 20 million in the annual aggregate in respect of Products Liability arising out of the manufacture, sale or distribution of goods in connection with a business;
- c) Workmen's Compensation insurances in respect of all personnel covering the provision of Applicable Laws containing an Employer's Liability extension with a limit of not less than AED 5 million per occurrence;
- d) Automobile Liability insurance for all motorized vehicles entering that part of the completed Plot, with a third party property damage limit of not less than AED 1 million per occurrence;
- e) such appropriate and applicable Hoteliers Liability insurances for that part of the completed Plot relating to the permitted operation of a resort (where applicable);
- f) any other insurance as the Master Developer may require from time to time.

4.11.5 All insurance policies required under this Clause shall:

- a) be maintained indefinitely, with insurers of sound financial standing and repute registered to underwrite such risks in the UAE (unless taken out under Clause 4.11.3 where such insurances shall be taken out during actual development periods);
- b) be maintained without cost to the Master Developer and any applicable Infrastructure Service Provider;
- c) contain an endorsement providing that the Master Developer and any applicable Infrastructure Service Provider shall receive at least ten (10) business days' prior written notice of any material modification, reduction or cancellation thereof;
- d) except for the insurances required in clauses 4.11.2.(c) and 4.11.2.(d), contain an endorsement providing that no act, omission or negligence of the any insured party shall affect the validity or enforceability of the insurance insofar as an Owner is concerned;
- e) except for the insurances required in clauses 4.11.2.(c) and 4.11.2.(d), contain a waiver of subrogation against the Master Developer and any applicable Infrastructure Service Provider; and
- f) contain deductibles which are no larger than is customary for similar policies covering similar properties and risks in the geographic market in which the Plot is located;
- g) with respect to any Public Liability insurance as required in 4.11.1.(b), 4.11.3.(a), 4.11.1.(b) have the Master Developer and any applicable infrastructure Service Provider, named as an additional insured, and contain a Cross Liabilities clause, which treats each insured as if separately insured.

4.11.6 Owners shall promptly pay the premiums for all policies required under this clause as they become due and payable.

4.11.7 Not later than ten (10) business days prior to the expiration date of each insurance policy required under this clause Owners shall deliver to the Master Developer and any applicable Infrastructure Service Provider an insurance certificate or other evidence satisfactory to the Master Developer and any applicable Infrastructure Service Provider, of that policy's renewal. Owners shall also immediately upon the request at any time of the Master Developer or any applicable Infrastructure Service Provider, furnish to the Master Developer or any applicable Infrastructure Service Provider (as applicable) certificates of insurance evidencing the existence of all policies taken out under this clause.

4.11.8 All of the amounts mentioned in this Clause shall be adjusted annually by an amount which reasonably reflects the rate of inflation in the Emirate of Dubai from time to time as determined by the Master Developer in its sole discretion.

- 4.11.9 If any Owner fails to maintain any of the insurance required to be maintained by such Owner under this clause or does not comply with clause 4.11.7, then the Master Developer or any applicable Infrastructure Service Provider shall have the right (but not the obligation) to give the defaulting Owner written notice of such default specifying the particulars of it. The Owner upon receiving such a notice shall have a period of 10 (ten) days in which to cure such default. If the defaulting Owner does not cure such default within the 10 (ten) day period, the Master Developer or any applicable Infrastructure Service Provider may (but is not obliged to) then take out any such Policy and bill the defaulting Owner for the expense incurred.
- 4.11.10 Neither the Master Developer nor any Infrastructure Service Provider are under any obligation to ensure that Owners comply with this clause 4.11, and neither one will have any liability towards Owners or any other person in the event of Owners' non-compliance with this clause or generally in relation to obligations arising under this Declaration.

4.12 PUBLIC SPACE ADVERTISING AND SIGNAGE

The Master Developer or any applicable Infrastructure Service Provider (assigned the rights) shall have the right to all public space advertising in and upon the Common Use Facilities and shall set all public signage standards and controls in the Master Community generally. The Master Developer or any applicable Infrastructure Service Provider shall have the right, but not the obligation to collect revenues derived from such advertising and to apply the net revenues towards the costs incurred by the Master Developer or any applicable Infrastructure Service Provider in undertaking its obligations under this Declaration. Alternatively, the Master Developer may retain such revenues for its own benefit at its own discretion. The Master Developer or any applicable Infrastructure Service Provider shall have the right to control and determine all marine navigation aids (if applicable), road, directional and identification signage in the Master Community, subject to the requirements of any Relevant Authority.

4.13 PUBLIC EVENTS

No public events may be held in or on any part of the Common Use Facilities without the prior written consent of the Master Developer or any applicable Infrastructure Service Provider having assigned or sold rights over the Common Use Facilities. The Master Developer or any applicable Infrastructure Service Provider shall have the right, as a term of its consent, to manage and promote all such permitted public events in or upon the Common Use Facilities. The Master Developer shall have the right, but not the obligation to collect revenues derived from such permitted events and to apply the net revenues towards the costs incurred by the Master Developer or any applicable Infrastructure Service Provider in undertaking its obligations under this Declaration. Alternatively, the Master Developer or any applicable Infrastructure Service Provider may retain such revenues for its own benefit at its own discretion. The Master Developer or any applicable Infrastructure Service Provider shall have the right to hold any event in or on any part of the Common Use Facilities without any cost or charge.

4.14 INTELLECTUAL PROPERTY

- 4.14.1 The Intellectual Property is the sole and exclusive property of the Master Developer and any goodwill that may develop in relation to it, whether directly or indirectly, as a result of an Owner's use of the Intellectual Property shall enure solely to the benefit of and become the sole property of the Master Developer.
- 4.14.2 Owners shall not:
- (a) use any Intellectual Property without the express written authorisation of the Master Developer;
 - (b) adopt or use any intellectual property that is confusingly similar or identical to or is a simulation or imitation of any of the Intellectual Property;
 - (c) at any time use or apply to register in its own name in any part of the world any of the Intellectual Property or any intellectual property so nearly resembling the Intellectual Property as to be likely to deceive or cause confusion;
 - (d) use the Intellectual Property or any intellectual property confusingly similar thereto in any part of the world as part of any corporate business or trading name or style or domain name or register in its own name as a trading name or domain name any of the Intellectual Property or any intellectual property so nearly resembling them as to be likely to deceive or cause confusion.

4.15 PROPRIETARY RIGHTS

Every Owner agrees that the Logos, trade names and trade marks rights owned by the Master Developer, are the sole and exclusive property of the Master Developer, as the case may be, and that any imitation or use of any of these whatsoever, in any shape or form, by the Owner, or any other person, is expressly prohibited without the consent of the Master Developer. Every Owner shall indemnify and hold the Master Developer harmless against all claims, proceedings, costs, damages, expenses and losses in respect of any claims arising from, or otherwise and payments received therefrom in connection with the use by the Owner of the Logos without the Master Developer's consent.

4.16 LAWS AND REGULATIONS

Each Owner shall, in its use of its Plot, Unit or any of the Common Use Facilities, comply with Applicable Laws now or from time to time in force in relation to the use of the Plot, Unit or any of the Common Use Facilities or anything done within or upon them.

4.17 ADDRESS FOR SERVICE

4.17.1 The address at which all documents and notices may be delivered to an Owner shall be the address of the Owner's Plot or Unit or such other address as advised in writing by the Owner in accordance with clause 4.17.3 below.

4.17.2 It shall be competent to give any notice to an Owner by any one or all of the following methods:

- (a) hand or courier delivery;
- (b) pre-paid post;
- (c) facsimile where the Owner has advised the Master Developer in writing of his facsimile number, and where such delivery is also followed by any one or all of the means of delivery specified in clause 4.17.2 (a) and (b) above; or
- (d) email where the Owner has advised the Master Developer in writing of his email address, and where such delivery is also followed by any one or all of the means of delivery specified in clause 4.17.2 (a) and (b) above.

4.17.3 An Owner may by notice in writing to the Master Developer alter his address for service, provided such new address shall be within the UAE. Such notification will be effective 14 (fourteen) days after its receipt. In this regard an Owner may provide the address of a local agent it has appointed within the UAE specifically for the purposes of this clause.

4.17.4 A notice shall be deemed to have been properly served where it is given in accordance with clause 4.17.2 above. The date of service of such notice shall be:

- (a) where served by hand or courier delivery, the date of delivery;
- (b) where served by pre-paid post, the date of postage; and
- (c) where served by facsimile or email, the date of such facsimile or email transmission.

5 RULES AND DEVELOPMENT CONTROL REGULATIONS

In order to protect the interests of every Owner and to ensure the maintenance and promotion of harmony in the physical and social environment of the Master Community, every Owner shall comply with the Rules and the Development Control Regulations.

The Master Developer reserves the right to itself or its Managing Agent to take any appropriate action to enforce the provisions of the Declaration, its Rules and the Development Control Regulations which shall include the right to initiate proceedings to enforce compliance, recover damages, fine, issue penalties, restrain, correct and abate violations of them. An Infrastructure Service Provider reserves the right to itself or its Managing Agent to take any appropriate action to enforce the provisions of the Declaration, its Rules (applicable to the Common Use Facilities) which shall include the right to initiate proceedings to enforce compliance, recover damages, fine, issue penalties, restrain, correct and abate violations of them.

6. RELATIONSHIPS WITH MASTER DEVELOPER

6.1 PAYMENT OF SERVICE CHARGES AND PROVISION OF SERVICES

6.1.1 The Master Developer shall be obliged to pay Service Charges with respect to those Plots within the Master Community it has not yet sold and those Plots or Units it continues to own as Owner.

- 6.1.2 The full and proper performance of the Master Developer's obligations under this Declaration is conditional upon the prompt and full payment of Service Charges due to it by the Owners. The Master Developer reserves the right to withdraw or to vary the services that it performs under this Declaration from time to time to ensure as far as is reasonably possible that the Expenses incurred in the provision of services by the Master Developer do not exceed the Service Charges actually collected by the Master Developer.

6.2 DEVELOPMENT

The Master Developer and any Infrastructure Service Provider (licensed such rights) shall enjoy unrestricted rights with regard to the development and marketing of the Master Community and, in particular, the right to erect signage within the Master Community, and to perform all activities normally associated with development, marketing, maintenance services and building operations as deemed necessary by the Master Developer.

6.3 ALIENATION OF COMMON USE FACILITIES

The Master Developer and any successor Infrastructure Service Provider shall be entitled to sell, transfer, exchange, grant or assign any interest it may have in the Common Use Facilities at any time without the need for the consent of any Owner. The Master Developer and any successor Infrastructure Service Provider need not furnish notice of such sale, transfer, exchange, grant or assignment to the Owners and all Owners consent to any such sale, transfer, exchange, grant or assignment.

6.4 ASSIGNMENT OF DECLARATION

The Master Developer shall be entitled to assign this Declaration or any part hereof, and its rights and obligations under it and all and any part of them including, without limiting the generality of the foregoing, the power to collect Service Charges to third parties by way of a written assignment or sub-contract agreement or as part of any document recording the alienation of the Common Use Facilities, provided that any third party to whom this Declaration or any rights and obligations hereunder are assigned, shall be fully bound by the provisions of this Declaration in the place of the Master Developer. The Master Developer need not furnish notice of such assignment or sub-contract to the Owners and all Owners hereby consent to any such assignment or sub-contract.

6.5 MASTER DEVELOPER'S COMMERCIAL FACILITIES

- 6.5.1 In addition to providing the Common Use Facilities, the Master Developer shall reserve the right to make the Master Developer's Commercial Facilities available to Owners or the general public, at their option, upon payment of charges or membership fees and upon such terms and conditions as imposed by the Master Developer from time to time.
- 6.5.2 Costs and expenses incurred and revenues derived in relation to the operation, management and administration of the Master Developer's Commercial Facilities are the sole responsibility, and are for the exclusive benefit of, the Master Developer and shall in no way be applied towards the costs incurred by the Master Developer in undertaking its obligations under this Declaration.

6.6 CASUALTY

- 6.6.1 In the event any or all of the buildings or Improvements situated on any Plot are damaged or destroyed by any casualty, the Owner upon whose Plot such buildings or Improvements were located shall promptly repair and/or reconstruct such buildings or Improvements in accordance with the applicable provisions of this Declaration. The Owner will be liable for payment of the Service Charges during this period based on the previous years calculated area and subject to any extra charges that the Master Developer deems fit.
- 6.6.2 Upon any damage or destruction to any of the Common Use Facilities, the Master Developer shall restore, repair or rebuild such damaged or destroyed Common Use Facilities (or any damaged or destroyed section of them) provided that either:
- (a) the proceeds from the insurance obtained by the Master Developer under Clause 2.1.1(k) cover the full replacement cost of all of the relevant Common Use Facilities;
 - (b) if Clause 6.6.2(a) does not apply, the Reserve Fund has sufficient funds (together with any insurance proceeds referred to in Clause 6.6.2(a)) to meet the full replacement cost of all relevant Common Use Facilities; or
 - (c) if Clauses 6.6.2 (a) and (b) do not apply, the Master Developer has received sufficient funds from Owners under a Special Levy (together with any insurance proceeds and/or funds available for use in the Reserve Fund referred to in Clauses 6.6.2(a) and (b)) to meet the full replacement cost of all relevant Common Use Facilities.

6.7 AMENDMENT AND FORCE OF DECLARATION

- 6.7.1 The Master Developer may in its sole discretion add to, amend, substitute or repeal any provision of this Declaration within ten (10) years of the date upon which this Declaration comes into force.
- 6.7.2 This Declaration shall come into force and be binding on the Master Developer and all Owners from the date of this Declaration.

6.8 LIABILITY

- 6.8.1 Neither the Master Developer, any Managing Agent, any Infrastructure Service Provider nor their respective shareholders, partners, members or other principals, directors, officers, employees, attorneys, agents and/or other representatives shall be liable for any damage, loss or prejudice suffered or claimed, directly or indirectly, on account of:

- (a) the approval or disapproval of any plans, drawings and specifications or development applications in respect of the Master Community or any part of the Master Community whether or not defective;
- (b) the construction or performance of any work in respect of the Master Community or any part of the Master Community whether or not made under approved plans, drawings and specifications;
- (c) any changes in Applicable Laws that affect the use, the intended use, description or value of the Master Community, Plot, Multi-Owned Property or Unit as provided at the time of purchase; or
- (d) the development of or failure to develop any part of the Master Community by an Owner,

unless due to the willful misconduct of the Master Developer or applicable Infrastructure Service Provider, as applicable (in which case the Master Developer's and the applicable Infrastructure Service Provider's liability shall be limited to claims for specific performance, with the exclusion of claims for damages of any sort), or any individual member thereof (in which event only those persons actually guilty of willful misconduct shall be liable).

- 6.8.2 Neither the Master Developer nor any Infrastructure Service Provider shall be liable for any error of judgment or for any mistake of fact or law or for anything which it may do or refrain from doing under this Declaration, and the Owners agree to indemnify and hold the Master Developer and any Infrastructure Service Provider harmless from and against all claims, damages and costs incurred in connection with its rights or duties under this Declaration, except to the extent of the Master Developer's or Infrastructure Service Provider's (as applicable) willful misconduct, gross negligence or breach of or default under this Declaration.

- 6.8.3 Notwithstanding any other term of this Declaration, neither the Master Developer nor any Infrastructure Service Provider shall be liable for any losses or damages which are consequential, punitive, exemplary or statutory, nor for any loss of use or loss of value of a Plot or Unit.

6.9 CHANGE IN USE OF COMMON USE FACILITIES

The Master Developer and any successor Infrastructure Service Provider shall be entitled to change the mix, use and availability of Common Use Facilities at any time at its discretion without the need for the consent of any Owner. The Master Developer and any successor Infrastructure Service Provider need not furnish notice of such change in use, mix or availability to the Owners and all Owners consent to any such change in use, mix or availability. To the extent that a change of use of any Common Use Facilities is such that they are no longer available for the common use and enjoyment of the Owners (except temporarily) then such assets shall no longer be deemed Common Use Facilities.

7. GOVERNING LAW & JURISDICTION

This Declaration shall be governed by the Laws of the UAE and the Laws of Dubai and any legal action or proceeding with respect to this Declaration shall be subject to the non-exclusive jurisdiction of the Courts of Dubai, UAE.
